Re: Temporary mental health staffing

Director Turner:

We understand your mental health provider has terminated, and that you may need temporary mental health staffing as your facility works its way through the RFP process.

We are able to provide 40 hours per week of a qualified mental health professional (QMHP) and 4 hours per week of a practitioner for acute mental healthcare, on a temporary basis, at the rate of **\$21,175.85 per month**. We will prorate that amount based upon the actual start/stop dates. If you request additional hours, you will have to fund those hours.

If you agree with this offer, please sign below and return to Contracts@advancedch.com. This offer will remain open until April 27, 2020, at which point, we will revoke the offer and possibly issue a new offer. If you have questions or concerns, please do not hesitate to call upon me. Thank you!

Respectfully,

Saif Mohammed
