REQUEST SUMMARY	<p>The County entered into an agreement with MoDOT to fund the construction of a new bridge on Browning Road in the Off System Bridge Program (BRO). The current structure is a Low Water Crossing, located about ¼ miles west of Smart Road. This program provides for 80% funding on eligible costs for the project. The Local Entity is responsible for the 20% match. The County recently agreed with Lafayette County to trade federal funds for credit. This allows us to use the credit in place of the 20% match and fund this project with mostly federal funds. The bids were analyzed and submitted to MoDOT for concurrence. MoDOT has concurred with awarding the bid to Redford Construction as the lowest and best bid. In the concurrence letter from MoDOT the amount of funds eligible for participation is at \$409,153.00 leaving \$1,100.00 of ineligible funds which will be used from account 004-1507-58040. The Department of Public Works solicited bids for this project. Sealed proposals were opened on October 4, 2016 at the offices of Public Works. Eight (8) firms submitted bids. The three lowest bids are as follows:</p> <table border="1"> <thead> <tr> <th>BIDDER</th> <th>City and State</th> <th>BIDS</th> </tr> </thead> <tbody> <tr> <td>Redford Construction</td> <td>Raymore, MO.</td> <td>\$410,253.00</td> </tr> <tr> <td>WCI Inc.</td> <td>Paola, Ks., MO.</td> <td>\$ 458,022.50</td> </tr> <tr> <td>Clarkson Construction</td> <td>Kansas City, MO.</td> <td>\$ 498,996.88</td> </tr> </tbody> </table> <p>The Department of Public Works recommends that the contract be awarded to Redford Construction being the lowest and best bidder and with MoDOT concurrence.</p> <p>We request that</p> <ol style="list-style-type: none"> 1. A Resolution be prepared authorizing the County Executive to execute the construction contract with Redford Construction 2. We further request that \$409,153.00 be appropriated from the grant fund and the Manager of Finance be authorized to encumber \$410,253 to cover the costs of the construction contract. 3. We request that the Director of Public Works be authorized to approve adjustments in the construction contract line items, to the extent that there will be no further funding obligation by the County.
