Project/Title:

A resolution authorizing the County Prosecutor to execute an agreement with Ivanhoe Neighborhood Council to be funded by the County's Anti-Crime Sales Tax Fund for the 2022 fiscal year, which is engaged in anti-crime, anti-violence and anti-drug prevention activities and purposes, not to exceed \$52,775.

Request Summary

A resolution authorizing the County Prosecutor to execute an agreement with Ivanhoe Neighborhood Council to be funded by the County's Anti-Crime Sales Tax Fund for the 2022 fiscal year, which is engaged in anti-crime, anti-violence and anti-drug prevention activities and purposes, not to exceed \$52,775.

Background: The Anti-Crime Sales Tax fund authorizes the County to execute agreements and contracted services for the purpose of providing substance abuse treatment, prevention, and law enforcement school based initiatives like services in Jackson County, and other anti-crime, anti-violence and anti-drug initiatives in the community.

The purpose of this request is to institute a STRIVIN Hub in the Kansas City Midtown area, where none currently exist. Data reveals that this targeted area suffers from the highest rates of unemployment, drug abuse and violent crime.

This recommendation is based upon a proposal submitted by Ivanhoe Neighborhood Council. This funding recommendation was presented to the Jackson County COMBAT Commission on May 12, 2022, and unanimously approved, with the recommendation that it be presented to the Jackson County Legislature.
