Request for Emergency Execution

April 14, 2025

Jackson County Environmental Health along with Mid America Regional Council (MARC) are requesting emergency execution of the Household Hazardous Waste Agreement.

This agreement gives the residents of unincorporated Jackson County the ability to use the permanent facilities in Kansas City and Lee's Summit and 13 mobile events to safely dispose of their household hazardous waste at a cost not to exceed \$26,761.

Failure to execute the agreement will result in MARC issuing a press release that unincorporated Jackson County residents are no longer program members. They will also direct them to the Lee's Summit facility where they will be charged a fee. The county would also be financially responsible for residents that have used the program up until now.

Jackson County has participated in this program since it was created. We currently plan to hold a mobile event at our public works facility in Oak Grove on September 6th.
