Re: Concurrence in Award  
BRO-B048(59)  
Stoenner Road Bridge Replacement

Dear Ric Johnson

The Missouri Department of Transportation (MoDOT) concurs with the recommendation to award this project to Dondlinger & Sons Construction Co., with a low bid of \$877,021.75. MoDOT's External Civil Rights has approved the DBE participation submitted by the awarded bidder to fulfill the DBE Goal of 10%.

After executing the contract, please submit an electronic copy of the following documents to your MoDOT district representative.

Final Plans Package given to Bidders (include all addenda that were issued)  
Fully Executed Contract  
Payment Bond, Performance Bond  
Insurance Certificate  
Signed Worker Eligibility Verification Affidavit  
Signed E-Verify Memorandum of Understanding (MOU)  
Certification Regarding Affirmative Action signed by prime contractor (only if NOT utilizing [MoDOT's Federal Project Bid Proposal Boilerplate](#))

MoDOT will grant the authority to issue the Notice To Proceed after these documents have been reviewed. The fully executed contract must be the same version that was shown in the bid proposal and must include all signatures, etc.

The itemized proposal is used in preparing a formal project agreement with FHWA. Upon FHWA's approval, a copy of the summary of estimated cost will be furnished for your use. You will then be able to submit invoices for reimbursement.

Please contact your MoDOT district representative at <https://www.modot.org/contact-modot-lpa>, to coordinate the scheduling of a pre-

construction conference or if you have any questions regarding the required submittals.

Sincerely,

A handwritten signature in black ink that reads "Ashley Buechter, P.E.". The signature is written in a cursive style with a large initial 'A' and a stylized 'B'. The 'P.E.' is written in a more formal, blocky font to the right of the name.
