Contract Adjustment

2013-JAG-012- Jackson County Multi-Jurisdictional Drug Task Force

Edward Byrne Memorial Justice Assistance Grant (JAG)

Contract Adjustment ID:	01	Submitted Date:	11/18/2014
Contract Adjustment Type:	Budget Revision		
Status:	Approved		
Organization:	Jackson County, Drug Task Force		

Contract Adjustment Justification

Justification*

Please explain the reason for the requested adjustment and include the effective date. State the need for the change and how the requested revision will further the objectives of the project.

The governor has released additional state monies for drug task forces. Our agency requests to allocate those monies to vehicle leases. This allocation will be in addition to the monies already awarded under this program to continue the operations of the drug task force.

The task force owns several vehicles however, with the nature of undercover work, it is necessary to have vehicles that are easily and quickly replaced. In the event the vehicles are identified by suspects as undercover police vehicles, the task force can take those vehicles back to the leasing company and lease a different vehicle.

The vehicles leased by the task force are used when contacting suspects on drug buys, surveillance and for typical undercover related needs.

The officers currently benefiting from the leased vehicles approved in our application are Eric Burchfield and Randy Ellis. With the addition of the state monies released by the governor, Doug Blodgett will also benefit from the leased vehicle allocation.
