

AGREEMENT
(Housing Resources Commission)

THIS AGREEMENT, made by and between **JACKSON COUNTY, MISSOURI**, a Constitutional Home Rule Charter County of the First Class of the State of Missouri, acting by and through its **Housing Resources Commission**, hereinafter referred to as "the County" and a Missouri not-for-profit corporation, **RECONCILIATION SERVICES 3101 TROOST AVENUE KANSAS CITY, MO 64109**, hereinafter referred to as "Contractor".

WHEREAS, on June 4, 1991, the voters of Jackson County authorized the County Legislature to impose a \$3.00 user fee on all instruments recorded with the County's Department of Records, the proceeds of which fee is to be used to provide funds for assistance to homeless persons; and,

WHEREAS, the County actually imposed said fee by Ordinance No. 1986, dated June 10, 1991; and,

WHEREAS, by Ordinance No. 2030, dated September 3, 1991, the Legislature created the Housing Resources Commission and designated said Commission as the agency of the County responsible for determining the allocation and distribution of the proceeds of the user fee; and,

WHEREAS, the Commission has reviewed Contractor's proposal for the expenditure of County user fee funds for the purpose of providing assistance to homeless persons in Jackson County; and,

WHEREAS, the Commission has determined that it is in the best interests of the County's citizens to provide funding to Contractor according to the terms and conditions

hereof;

NOW, THEREFORE, it is agreed by and between the parties as follows:

1. **SERVICES**. Contractor shall use the proceeds of this Agreement solely for the purpose of providing assistance to homeless persons in Jackson County, Missouri. Contractor agrees to use the funds as set out on the Housing Resources Commission Funding Request Form, attached hereto as Exhibit A. The term of this contract is January 1, 2018, through December 31, 2018, and as such, all expenditures must occur within this period. The budget Organization submitted as part of Exhibit A is considered final and non-changeable. If Organization encounters unforeseen circumstances that require a change to Organization's budget, Organization shall submit a written request to the Housing Resources Commission no later than October 31, 2018. Any changes to the budget must be approved by the Jackson County Legislature.

2. **TERMS OF PAYMENT**. The County shall pay to Contractor a total amount not to exceed \$33,000.00 for the purpose of providing assistance to homeless persons in Jackson County, Missouri. One quarter of this sum, or \$8,250.00, shall be paid to Contractor on a quarterly basis for the periods ending March 31, 2018, June 30, 2018, September 30, 2018, and December 31, 2018, upon receipt of Contractor's invoice and supporting documentation, provided that Contractor has submitted to the County the report(s) required under Paragraph 3 and Paragraph 5 hereof. Each quarter's payment will be issued after Contractor has submitted the required invoices and supporting documentation for reimbursement. The County reserves the right to audit all invoices and to reject any invoice for good cause. The County retains the right

to deduct from an invoice of Organization any overpayment made by the County on a prior invoice. The County retains the right to make invoice corrections/changes. The County will not reimburse sales tax expense.

3. **REPORTS/OTHER DOCUMENTATION.** Under this Agreement, Contractor shall submit appropriate reports, including copies of invoices and cancelled checks and/or a copy of the face of the check and corresponding bank statements and other documentation, as requested by the Housing Resources Commission staff to show that funds paid to Contractor by the County are being used for the purpose of providing assistance to homeless persons in Jackson County, Missouri. If the reports submitted do not satisfactorily demonstrate appropriate expenditures of County funds, payments are subject to downward adjustment to reflect the amounts actually spent on allowable services provided during the previous quarter. The final request for payment shall include a Quarterly Report and an Annual Report, which shall set out the program objectives and accomplishments, and a final reconciliation of funds. Section 67.1071, R.S.Mo., specifically requires the Annual Report to include "statistics on the number of persons served by the agency, and shall include the results of an independent audit of expenditures of funds received by Contractor pursuant to this Agreement. Failure to submit said reports, including the Annual Report, shall result in the loss of future funding by the County.

Organization must notify the County in writing on Organization's letterhead, within five working days of the following changes:

- a. Organization name, address, telephone number, administration, or board of directors
- b. Organization funding that will affect the program under this contract
- c. Liability insurance coverage

- d. Management or staff responsible for providing services pursuant to this contract
- e. Any proposed or actual merger or acquisition either taken by the Organization or toward the Organization

4. **MAINTENANCE OF ACCOUNTS.** The parties recognize that this funding by the County serves to improve the quality and effectiveness of homelessness programs in Jackson County, Missouri. It is, therefore, declared as the express intent of the parties that the services to be rendered hereunder shall be in addition to those deemed necessary and required to maintain the efficient and effective operation of Contractor in its normal duties, and that none of the funds paid by the County pursuant to this Agreement shall serve to reduce any funds budgeted, or to be budgeted, by Contractor for operations as they exist at the time of this Agreement. Contractor shall not commingle the County's funds and shall keep funds received under this Agreement separate from all other Contractor funds and accounts until expended as herein provided.

5. **SUBMISSION OF DOCUMENTS.** No payment shall be made under this Agreement unless Contractor shall have submitted to the County's Director of Finance and Purchasing: (1) a written proposal setting out in detail the intended use of the County's funding, including the target population to be served; (2) Contractor's IRS Form 990 from the previous fiscal or calendar year; (3) a statement of Contractor's total budget for its most recent fiscal year; and (4) a detailed explanation of actual expenditures of the County's funds (pertains to final payments and payments on contracts for future years). If Contractor has previously received funding from the County, to be eligible for future payments, Contractor must submit either an audited financial statement for Contractor's

most-recent fiscal or calendar year, or a certified public accountant's program audit of the County's funds. Any documents described herein which were submitted to the Director of Finance and Purchasing as a part of an application for funding need not be resubmitted to qualify for payment. No payment shall be made if Contractor is out of compliance on any other County contract, or has not paid county taxes on all properties owned by Contractor and assessed by the County.

6. **EQUAL OPPORTUNITY**. Organization shall maintain policies of employment as follows:

A. Organization and Organization's subcontractor(s) shall not discriminate against any employee or applicant for employment because of race, religion, color, sex, age, disability, or national origin. Organization shall take affirmative action as set forth to ensure that applicants are employed and employees are treated without regard to their race, religion, color, sex, age, disability, or national origin. Such action shall include, but not be limited, to the following: recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Organization agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the policies of non-discrimination.

B. Organization and Organization's subcontractor(s) shall, in all solicitation or advertisements for employees placed by them or on their behalf, state that all qualified applicants will receive consideration for

employment without regard to race, religion, color, sex, age, disability, or national origin.

7. **EMPLOYMENT OF UNAUTHORIZED ALIENS PROHIBITED.** Pursuant to §285.530.1, RSMo, Contractor assures that it does not knowingly employ, hire for employment, or continue to employ an unauthorized alien to perform work within the State of Missouri and/or Jackson County, and shall affirm, by sworn affidavit and provision of documentation, its enrollment and participation in a federal work authorization program with respect to the employees working in connection with the contracted services. Further, Contractor shall sign an affidavit, attached hereto and incorporated herein as Exhibit B, affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services.

8. **AUDIT.** The parties agree that the County may, for any reason and at any given time, examine and audit the books and records of Contractor pertaining to its finances and operations. Further, Contractor agrees to establish and adopt such accounting standards and forms as recommended by the County prior to receipt of the County's first distribution of funds under the terms of this Agreement. The forms used to document expenditure of these funds may be changed from time to time by the County.

9. **DEFAULT.** If Contractor shall default in the performance or observation of any covenant, term or condition herein contained to be performed by Contractor, the County shall give Contractor ten days written notice, setting forth the default. If said default shall continue and not be corrected by Contractor within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Contractor. Said election shall not, in any way, limit the

County's rights to sue for breach of this Agreement.

10. **APPROPRIATION OF FUNDS**. Contractor and the County recognize that the County intends to satisfy its financial obligation to Contractor hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. In the event no funds or insufficient funds are appropriated and budgeted, or are otherwise unavailable by any means whatsoever for payment due hereunder, County shall immediately notify Contractor of this occurrence and this Agreement shall terminate on the last day for which appropriations were received, without penalty or expense to the County of any kind whatsoever, except as to the portions of the payment amounts herein agreed upon for which funds shall have been appropriated and budgeted or are otherwise available, or at any time after the last date that County has paid for the Services, if earlier.

County further agrees:

a. That any funds authorized or appropriated for services rendered under this Agreement shall be applied to the payments hereunder until all such funds are exhausted.

b. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual budget, a request for adequate funds to meet its obligation under this Agreement in full.

11. **CONFLICT OF INTEREST**. Contractor warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

12. **SEVERABILITY**. If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other covenant or provision unless so expressed herein.

13. **INDEMNIFICATION**. Contractor shall indemnify, defend and hold the County harmless from any and all claims, liabilities, damages, and costs (including reasonable attorney's fees directly related thereto) including but not limited to violation of civil rights and/or bodily injury to or death of any person and for damage to or destruction of property if and to the extent caused by the negligence, willful misconduct or omissions of Contractor during the performance of this Agreement.

14. **INSURANCE**. Organization shall maintain the following insurance coverage during the term of this Agreement.

A. Organization shall maintain Commercial General Bodily Injury and Property Damage Liability insurance, each in a combined single limit of One Million Dollars (\$1,000,000) each occurrence for bodily injury and property damage liability.

B. Organization shall maintain, if any motor vehicles are used in the performance of the Services, Commercial General Bodily Injury and Property Damage Liability insurance, and Automobile Liability insurance including owned, non-owned, or hired vehicles, each in a combined single limit of One Million Dollars (\$1,000,000) each occurrence for bodily injury

and property damage liability.

C. Organization agrees to provide the County with certificates of insurance evidencing the above described coverage prior to the start of Services, and annually thereafter, if required by the County. Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum of thirty days advance notice to the County in the event of cancellation, non-renewal, or reduction in limits by endorsement.

15. **TERM**. The term of this Agreement shall be effective as of January 1, 2018, and shall continue until December 31, 2018, unless sooner terminated pursuant to paragraph 9, 16, or 20 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified by the County's audit.

16. **TERMINATION**. This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. Termination of this Agreement shall not constitute a waiver of the rights or obligations which the County or Organization may be entitled to receive as provided in this Agreement, or be obligated to perform under this Agreement for services prior to the date of termination. Should this Agreement terminate, all County written materials of any kind must be delivered and returned by Organization to the County within ten (10) days of the termination of this Agreement.

17. **STANDARD OF CARE**. Organization shall exercise the same degree of care,

skill, and diligence in the performance of the Services as is ordinarily possessed and exercised by professionals operating under similar circumstances.

27. **DISCONTINUANCE OF PROGRAM.** In the event Contractor should elect to discontinue this program, or file for bankruptcy, or participate in a reorganization, or go out of existence, or should a court of competent jurisdiction render a final decision in any way invalidating this Agreement or its purposes, Contractor shall remit any proceeds of this Agreement as are unexpended to the County.

Section C 2018 Program Information

Agency Name: Reconciliation Services

Program: Social Services

Primary Program Type

Assistance Type

Is this program sustainable without Jackson County's funding. YES NO

Detail the main objective of the program.

RS offers a proven and comprehensive approach to community health and well-being by overcoming and preventing housing instability and offering social services for our most vulnerable community members. The RS continuum of care includes: Social Services (focusing on rapid rehousing through partnerships and overcoming barriers to housing stability), Mental Health Services, Healthy Community Initiatives, and Economic Community Building Opportunities.

We understand that catalytic investment along the Troost Corridor is vital to creating a safer, more economically stable community, but a devastating side effect is dramatic increases in rent and housing prices combined with decreasing housing options available for low-income individuals and families. The National Low Income Housing Coalition reported that in 2017, for every 100 people in need of affordable rental housing, there were only 35 homes available. Those numbers are even lower in the KC area, with only 33 affordable housing options available for every 100 people who need them. In Jackson County 42 evictions are filed each business day.

We focus our efforts on keeping people housed through rent and utilities assistance, understanding that long-term residential stability is not only essential for individual health and well-being, but also for preserving a community that faces increasing pressure to leave the area due to rising rent prices and gentrification. In 2017, we helped 300 people with housing needs, including rent, deposits, applications for housing, search and placement services, and utilities. Prioritizing housing stability has enabled us to help clients stay housed. We partner with other organizations like the Greater Kansas City Coalition to End Homelessness and their Coordinated Entry Hub, LISC, ReStart, UNI, and others to increase our resourcing network but also to advocate for those in need throughout the Kansas City area in a more coordinated and effective way. Additionally, we seek to address root problems leading to housing instability. In 2017, we provided 1,400 IDs, birth certificates and other required documents so that our clients could access essential public assistance, such as food stamps, housing and employment. Our Intensive Case Management and Mental Health Services focus on empowering men, women and families to build personal resiliency, find healing from trauma and depression, find meaningful life work, stable housing, stable income, and measurable hope.

We have seen the need for housing resources increase, while experiencing a sharp decrease in direct assistance funding. JCHRC funding will allow us to fund our Emergency Social Services Case Manager and offer help to even more clients in need through increased direct client assistance for rent and utilities.

How does your program measure success? Over what period of time?

At RS, we are continually looking for ways to better understand our clients needs and how to best walk with them and assist them most effectively. We use both clinical measures for tracking progress and program effectiveness and client surveys and debriefs to document client satisfaction and personal goals for self-sufficiency.

Case managers use MAAC Link to track client progress and network with other community providers to coordinate care. Additionally, we hold bi-weekly client huddles where case workers, program managers and therapists discuss the effectiveness of services and possible next steps or further needs for clients.

Clients who access rent and utility assistance are provided the opportunity and encouraged to participate in more long-term intensive case management to work on their personal goals that reveal their strengths and help them overcome barriers to self-sufficiency and stable housing. We see great success when clients maintain long-term relationships with RS case managers in order to promote their housing stability through vouchers and other advocacy needs.

We measure daily and weekly outcomes by tracking client interactions using MAAC Link and through internal accounting and surveying procedures. We are also preparing to implement Electronic Medical Records to improve our tracking and evaluation of services. Our Social Services Manager submits monthly and periodic reports to the Executive Director and Board of Directors in order to offer up-to-date tracking of successes and program goals.

Success is sometimes hard to measure among a clientele that often struggles with trauma, mental illness, addiction, lack of employment, limited education, and other complicating factors. Ultimately, we have found that helping our clients reveal their own strengths to become more self-sufficient and find the dignity and solutions they need to thrive contributes in a more lasting way to their overall stability.
