11. **Severability.** If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other covenant or provision unless so expressed herein.

What time period does this program run: All Year

Provide program description: MARC is partnering with Cultivate KC, the University of Kansas Medical Center, national nonprofit Fair Food Network and others to provide incentives to SNAP (Supplemental Nutrition Assistance Program) participants to purchase fresh produce at area grocery stores and farmers markets over three years.

Describe the benefits of this program to Jackson County Missouri: MARC and its partners have secured a large federal US Dept. of Agriculture grant to greatly expand support for low-income families in Jackson County and other parts of the metro area. This program offers the opportunities to serve many low-income residents of our community, to help these residents purchase and consume healthy food, to stretch their SNAP benefits on a monthly basis, and to support local farm production. Some of the private matching resources raised for the project are from outside the metro area, so we are bringing new public and private funds to Kansas City and Jackson County. While the program is sustainable without the county's funding, for every dollar we raise locally we are able to bring an additional federal dollar into the community.

Describe target population to be served: There are 112,507 SNAP recipients in Jackson County, many in families with children. These low income households struggle to provide adequate food, and many lack the access to healthy fresh produce.

What are the qualifications for participants: Any SNAP recipient from Jackson County is eligible to participate in the program. A mailing has gone out from the Missouri SNAP office to raise awareness about the program. In addition we are using billboards, radio, bus ads, social media and connections through community organizations to promote the program.
