Memorandum

From: Robert Rives, Public Works Facility Administrator
Date: September 23, 2024
RE: ITB# 24-063 Pest Management Services

Keith,

Regarding ITB # 24-063 Pest Management Services I would like to recommend the use of the City of Kansas City Missouri contract for pest management services. The KCMO contract was competitively bid and awarded to two companies, Smithereen Pest Management and Presto X.

We have been pleased with the service of our incumbent provider, Smithereen Pest Management. They are familiar with our locations and understand the requirements of gaining access to our courthouses and detention facilities. They provided expert consultation and service in managing an infestation of bedbugs at one of our sites, and their response to service calls is always timely.

For these reasons, please consider my recommendation to award the Pest Management Services contract to Smithereen Pest Management Services.

Thank you for your consideration of the above recommendation.

Respectfully,

Robert Rives

Effective pest management is crucial for maintaining a safe and healthy environment for the inmates and staff at the Jackson County Sheriff's Office, Detention Center.

We anticipate \$10,000 in annual spend for pest control. We will utilize account: 001-2701-56796 for payment for pest control services.

If you have any questions, please feel free to email or call me at 881-4210.

Thank you!
