To whom it may concern,

Additional information requested: We have maintained the property on 38th and Chestnut for a significant period of time. We want to continue building strong, viable neighborhoods block by block. We are also planting gardens on the 38th and Chestnut block so that the neighbors will have fresh vegetables. The team currently has planted and are providing care for 13 raised beds.

Some of the youth and others who live in the neighborhood are helping with this project.

The services we are providing helps enhance public safety through communication and building healthy relationships. Weed out the negative, and seed in the positive.

Private donations are being made. Volunteers, sweat equity, and in kind donations are the main resources at this time. The team does plan to seek public funding, and will continue to seek help from businesses within the Kansas City area.

The insurance needed for the properties will be provided by a commercial provider.

We look forward to hearing from you in regards to the matter of the properties we are seeking to acquire.

Sincerely Yours.

The Gray Panthers, a 501(C)(3) non-profit organization, hereby commits support for the Model Block Project in the 3800 block of Chestnut Street, Kansas City, Missouri. During the past year, Dr. David Kingsley, Network Coordinator for the Gray Panthers of Kansas & Western Missouri, has been working closely with Ms Ester Holzendorf of Consolidated Social Work, Ms Gloria Ellington of Voices of the People, Missouri State Representative Brandon Ellington, and others in a coalition for reversing blight in the neighborhood around the 3800 block of Chestnut.

We are deeply committed to the activities led by Ms Holzendorf and Ms Ellington and will continue to work on behalf of their cause.

I am writing this letter of support on behalf of the coalition comprising of Consolidated Social Workers Services Inc., United Progressives and Voices of the People to name a few who are working together to renovate houses in the Oak Park Neighborhood beginning on 38th Chestnut that will be utilized for a family resource center, reading room, nutritional education, mentoring for youth and social services as well as planting community gardens on the vacant lots adjacent to the houses.

As a life long resident of Kansas City; minister and advocate for enhancing the viability of our inner city there's no doubt that if the necessary resources were provided to this collaborative effort much good would be done to revitalize and rebuild a neighborhood area to become a beacon of opportunity for its residents. In supporting endeavors such as this one we must measure it's viability with the slogan of ages past "Is it Good for the Children and Community?" There's no doubt that we with the outcomes that will be produced we can answer with an unerring affirmative YES it will be good for our children and community.

I beseech you to look favorable upon this request. I can be reached at 816-245-5107

Sincerely,

To whom it may concern:

This letter is in support of Consolidated Social Work Services Inc, Voices of the People, The Gray Panthers and others who may join in with the effort to acquire abandoned properties, and renovate them for community services. Progressives are coming together to form a united front for positive change. This will take reciprocal, shared actions. In facing the increasing challenges of our time, we must move beyond single issue concerns. Many of the problem issue areas are interconnected.

The United Progressives have agreed to work with the above named Associated entities as well as others to help acquire abandoned properties that are to be renovated, and utilized for a reading room, and family resource center as well as a place for community meetings to be held, youth activities to take place, and we have a well known Kansas City chef who has agreed to volunteer to teach how to prepare and cook healthy meals.

Vacant lots will be utilized for vegetable gardens and flower gardens. The United Progressives will help with acquiring the necessary resources to ensure the satisfactory completion of this project. This project will begin on the 3800 Block of Chestnut.
