It is, therefore, declared as the express intent of the parties that the services to be rendered hereunder shall be in addition to those deemed necessary and required to maintain the efficient and effective operation of Contractor in its normal duties, and that none of the funds paid by the County pursuant to this Agreement shall serve to reduce any funds budgeted, or to be budgeted, by Contractor for operations as they exist at the time of this Agreement. Contractor shall not commingle the County's funds and shall keep funds received under this Agreement separate from all other Contractor funds and accounts until expended as herein provided.

5. **SUBMISSION OF DOCUMENTS.** No payment shall be made under this Agreement unless Contractor shall have submitted to the County's Director of Finance and Purchasing: (1) a written proposal setting out in detail the intended use of the County's funding, including the target population to be served; (2) Contractor's IRS Form 990 from the previous fiscal or calendar year; (3) a statement of Contractor's total budget for its most recent fiscal year; and (4) a detailed explanation of actual expenditures of the County's funds (pertains to final payments and payments on contracts for future years). Contractor and the County recognize that the County intends to satisfy its financial obligation to Contractor hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. Section C 2018 Program Information

Agency Name: Mother's Refuge

Program: Bednights for Homeless Youth

Primary Program Type

Assistance Type

Is this program sustainable without Jackson County's funding.

YES

NO

Detail the main objective of the program.

Mother's Refuge is a homeless shelter for pregnant and parenting young women and their infants. Our mission is to shelter and educate homeless pregnant and parenting young women by providing comprehensive services that empower them to make successful life decisions for themselves and their babies. We are state licensed to provide shelter and services to young women between the ages of 12 and 21, and they can reside in our program through the child's first year. They can enter at any state of their pregnancy.

Mother's Refuge exists to provide a loving, safe and clean home for these young women and their infants. We are one of two maternity homes in the Greater Kansas City area that is able to provide housing to pregnant women who are also under the age of 18. In addition to a clean, safe place to sleep, Mother's Refuge also provides food, clothing, individualized case management, counseling, access to medical care, life-skills training, and classes on health, money management, self-improvement, and pregnancy and parenting.

Most of our residents have no emotional or financial support. Some only recently became homeless while others grew up chronically homeless moving between shelters and the streets.

How does your program measure success? Over what period of time?

Mother's Refuge measures success on an individual level. As part of each resident's individualized management, our Case Manager, Julie Johnson, assists each young woman in outlining her goals and determining the necessary steps to achieve her goals. Some of these steps are basic steps such as obtaining an official id card, filling out job applications, or studying one hour a day, but these little steps build and allow our residents to graduate from high school, enroll their child in daycare, and obtain employment to begin saving for their future.

A young woman can become a resident at any state of her pregnancy, and she can stay at Mother's Refuge through the child's first year. Some of these goals are accomplished within the first weeks they arrive, and others take almost their entire stay. Our mission is to empower these young women and provide tools, so that they become successful as women and mothers- not only while they are with us but for their entire lives- breaking the cycle of poverty within their families and our community.

Mother's Refuge has an Aftercare Program in which we remain in touch with past residents. This allows us to continue to monitor their well-being as well as continue to provide some support.
