## BECKY COTTON, AIA Senior Vice President

In her role as Principal In Charge of Kansas City Architecture for HNTB, Becky establishes the vision and direction of design, management and marketing and represents HNTB to clients and the community. A talented group of studio leaders, architects, planners and interior designers supports her in her work. As the leader of key commissions for the office, she is responsible for assuring clients receive excellent service throughout the process. She listens to her clients, understands their needs and inspires her staff to find solutions that exceed client expectations. The firm serves clients in the aviation, corporate, education, federal and civic markets, working collaboratively with clients to deliver outstanding facilities solutions.

Becky also participates in HNTB management through the following firmwide positions:

- Chief Planning Officer of HNTB Architecture
- Member of the HNTB Government Relations Committee
- Member of the HNTB Human Resources Committee
- Member of HNTB Compensation Committee
- Trainer for Internal HNTB Learning & Development Programs

Becky has worked on a variety of complex projects of differing scope from large scale convention centers to airports and civic landmarks, including:

### Projects in the State of Missouri

- Kansas City Convention Center Ballroom Expansion
- Kansas City Union Station Restoration, Expansion
- Kansas City International Airport Terminal Improvements
