THIS AGREEMENT, made by and between **JACKSON COUNTY, MISSOURI**, a Constitutional Home Rule Charter County of the First Class of the State of Missouri, hereinafter referred to as "the County" and a Missouri not-for-profit corporation, **AD HOC GROUP AGAINST CRIME, 3116 PROSPECT AVENUE, KANSAS CITY, MO 64128**, hereinafter referred to as "Organization".

WHEREAS, the County and Organization desire to enter into an Agreement to provide funding to be used in addressing violence within our community which is a nationally recognized public health issue; and,

Any changes to the budget must be approved by the Jackson County Legislature.

2. **Terms Of Payment.** The County agrees to pay Organization the total amount of **\$78,000.00** in quarterly installments of **\$19,500.00**, with the payment for the first quarter to be made upon execution of this Agreement. The remaining payments shall be made upon the County's receipt of the reports as set forth in paragraph 3 hereof. The County reserves the right to audit all invoices and to reject any invoice for good cause. The County retains the right to deduct from an invoice of Organization any overpayment made by the County on a prior invoice. The County retains the right to make invoice corrections/changes. The report for the first quarter shall be submitted within 30 days after the execution of this Agreement. The last quarter's report shall include an annual report which shall summarize all of Organization's activities pursuant to this Agreement. Organization's failure to submit this annual report shall disqualify Organization from future funding by the County.

Organization must notify the County in writing on Organization's letterhead, within five working days of the following changes:

- a. Organization name, address, telephone number, administration, or board of directors
- b. Organization funding that will affect the program under this contract
- c. Liability insurance coverage

- d. Management or staff responsible for providing services pursuant to this contract
- e. Any proposed or actual merger or acquisition either taken by the Organization or toward the Organization

4. **Submission Of Documents.** No payment shall be made under this Agreement unless Organization shall have submitted to the County's Director of Finance and Purchasing: (1) a written proposal setting out in detail the intended use of the County's funding, including the target population to be served; (2) Organization's IRS Form 990 from the previous fiscal or calendar year; (3) a statement of Organization's total budget for its most recent fiscal year; and (4) a detailed explanation of actual expenditures of the County's funds (pertains to final payments and payments on contracts for future years). If Organization has previously received funding from the County, to be eligible for future payments, Organization must submit either an audited financial statement for Organization's most-recent fiscal or calendar year by March 31 of the following year, or a certified public accountant's program audit of the County's funds by January 31 of the following year. Any documents described herein which were submitted to the Director of Finance and Purchasing as a part of an application for funding need not be resubmitted to qualify for payment. No payment shall be made if Organization is out of compliance on any other County contract, or has not paid county taxes on all properties owned by Organization and assessed by the County.

5. **Equal Opportunity.** Organization shall maintain policies of employment as follows:

A. Organization and Organization's subcontractor(s) shall not discriminate against any employee or applicant for employment because of race, religion,

color, sex, age, disability, or national origin. Organization shall take affirmative action as set forth to ensure that applicants are employed and employees are treated without regard to their race, religion, color, sex, age, disability, or national origin. Such action shall include, but not be limited, to the following: recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Organization agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the policies of non-discrimination.

B. Organization and Organization's subcontractor(s) shall, in all solicitation or advertisements for employees placed by them or on their behalf, state that all qualified applicants will receive consideration for employment without regard to race, religion, color, sex, age, disability, or national origin.

6. **Employment Of Unauthorized Aliens Prohibited.** Pursuant to §285.530.1, RSMo, Organization assures that it does not knowingly employ, hire for employment, or continue to employ an unauthorized alien to perform work within the State of Missouri and/or Jackson County, and shall affirm, by sworn affidavit and provision of documentation, its enrollment and participation in a federal work authorization program with respect to the employees working in connection with the contracted services. Further, Organization shall sign an affidavit, attached hereto and incorporated herein as Exhibit B, affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services.

7. **Audit.** The parties agree that the County may, for any reason and at any given time, examine and audit the books and records of Organization pertaining to its

finances and operations. Further, Organization agrees to establish and adopt such accounting standards and forms as recommended by the County prior to receipt of the County's first distribution of funds under the terms of this Agreement. The forms used to document expenditure of these funds may be changed from time to time by the County.

8. **Default.** If Organization shall default in the performance or observation of any covenant, term or condition herein contained to be performed by Organization, the County shall give Organization ten days written notice, setting forth the default. If said default shall continue and not be corrected by Organization within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Organization. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

9. **Appropriation Of Funds.** Organization and the County recognize that the County intends to satisfy its financial obligation to Organization hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. In the event no funds or insufficient funds are appropriated and budgeted, or are otherwise unavailable by any means whatsoever for payment due hereunder, County shall immediately notify Organization of this occurrence and this Agreement shall terminate on the last day for which appropriations were received, without penalty or expense to the County of any kind whatsoever, except as to the portions of the payment amounts herein agreed upon for which funds shall have been appropriated and budgeted or are

otherwise available, or at any time after the last date that County has paid for the Services, if earlier.

County further agrees:

A. That any funds authorized or appropriated for services rendered under this Agreement shall be applied to the payments hereunder until all such funds are exhausted.

B. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual budget, a request for adequate funds to meet its obligation under this Agreement in full.

10. **Conflict Of Interest.** Organization warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

11. **Severability.** If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other covenant or provision unless so expressed herein.

12. **Indemnification.** Organization shall indemnify, defend and hold the County harmless from any and all claims, liabilities, damages, and costs (including reasonable attorney's fees directly related thereto) including but not limited to violation of civil rights and/or bodily injury to or death of any person and for damage to or destruction of property if and to the extent caused by the negligence, willful misconduct or omissions

of Organization during the performance of this Agreement.

13. **Insurance**. Organization shall maintain the following insurance coverage during the term of this Agreement.

C. Organization agrees to provide the County with certificates of insurance evidencing the above described coverage prior to the start of Services, and annually thereafter, if required by the County. Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum of thirty days advance notice to the County in the event of cancellation, non-renewal, or reduction in limits by endorsement.

14. **Term**. The term of this Agreement shall commence January 1, 2015, and shall continue until December 31, 2015, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified

by the County's audit.

15. **Termination**. This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. | <p>The AdHoc Group Against Crime will provide case management, and mental health services through monthly support group, Mothers and Families for Healing and Justice; Individual and family therapy sessions to all persons affected by violent crime and homicide. In addition substance abuse counseling will be offered to all persons identified by their counselor as needing treatment.</p> <p>AdHoc will continue to serve a minimum of 50 families that are receiving services currently through the program and add an additional 55 families as new homicide occur in the Kansas City area in 2015.</p> <p>Homicide and nonfatal injuries resulting from interpersonal violence are significant contributors to the excess early mortality and morbidity of African-American youth. Although there is growing recognition of the need for prevention programs specifically directed to these youth, culturally relevant programs to reduce aggression and victimization in high-risk racial and ethnic groups are virtually non-existent.</p> <p>Program components include the initial intake, case management, group sessions, referral services, prayer vigils, and evaluation. When a client contacts AdHoc the initial intake is completed the client shares who has been affected by homicide and what their desired outcomes will be upon completion. Each clients will receive case management and are assigned to a grief counselor for assessment and individual counseling sessions. AdHoc will host group and individual session to reduce anger provide grief support and offer effective referrals.</p> <p>In order to remove the stigma faced in the African American community for receiving mental health services the counselors of AdHoc found the need to provide counseling services in the homes of families and individuals. We have found that some clients have not left their homes since the death of their loved-one. The service has been tremendously successful and participations had tripled results. We are unique in providing this service to our clients. This also assists the counselors in making a true assessment of the mental health of each individual client served.</p> | |

Evaluation

How can the success of each program be evaluated? Indicate performance measures or statistics you will use to demonstrate the success of each program

All clients are assessed at intake to determine a baseline score. The individual counselors then assess each individual per session. Some clients meet weekly with their counselor and assessments are taken weekly. GAF Score or Global Assessment of Functioning is utilized by a clinician to gauge an individual's overall level of functioning and his/her ability to carry out activities of daily living. This information is useful in planning treatment, measuring its impact, and predicting outcome.

The Global Assessment of Functioning Scale is a 100-point scale that measures a patient's overall level of psychological, social, and occupational functioning on a hypothetical continuum.

The GAF Report decision tree is designed to guide clinicians through a methodical and comprehensive consideration of all aspects of a patients symptoms and functioning to determine a patients GAF rating in less than 3 minutes.

The goal of the program is to have 75% of our clients GAF score to enter the 80 percentile ranking, placing them in a functioning state of mind. Counselors record all data and patient information in the client's treatment plans. The organization has recently moved to an electronic record keeping system to improve efficiency and meet HIPPA regulations.
