DEPARTMENT: Sheriff's Office

TITLE: Awarding a contract for the furnishing of a DRACO gas delivery system for use by the Sheriff's Office to J&N Tactical, LLC of South Haven, MN, at an actual cost to the County in the amount of \$26,225 as a sole source purchase.

SUMMARY: The Sheriff's Office is requesting the purchase of a DRACO gas delivery system from J&N Tactical, LLC of South Haven, MN. The DRACO gas delivery system will attach to the Lenco BearCat armored tactical rescue vehicle that is currently in production and expected to be delivered by year-end. The system will assist the Sheriff's Office when responding to critical incidents within the unincorporated area of Jackson County and the seven (7) municipalities within our jurisdiction for whom we provide critical incident services: Buckner, Grain Valley, Greenwood, Lake Lotawana, Lake Tapawingo, Lone Jack and Oak Grove. The system provides a reliable, non-lethal option for crowd control, barricaded subjects, high-risk warrant service, hostage rescue and other emergency situations, which will enhance deputy safety and operational effectiveness. J&N Tactical, LLC is the sole manufacturer and distributor of the DRACO gas delivery system which is the only system compatible with our BearCat that is in production. Pursuant to Section 1030.1 of the Jackson County
