**TITLE: Authorizing the County Executive to execute an amendment to Swope Health's ARPA Contract**

**SUMMARY:** Resolution 21092, passed on 11/14/22, authorized the County Executive to execute an agreement with Swope Health for the construction of an 18-room behavioral health services building. Due to unforeseen circumstances, the construction will not be completed by the end of the contract period, 12/31/26. In order to leverage this one-time money to the fullest extent, Swope Health has identified an apartment building for sale. This apartment building will allow for 24 units and is less than 4 miles from the main campus. The purchase of the 24 unit building furthers Swope Health's mission to "improve[s] the health and wellness of the community by delivering accessible, quality, comprehensive patient care".
