RE: **GRANICUS ENCODER AND SOFTWARE – SOLE SOURCE**

Granicus is the County's sole source provider of Legislative Meeting and Agenda Services primarily used by the County Clerk's Office. Services include postings, agenda, video recordings, and live streaming for the legislative meetings in Kansas City and Independence. The Granicus software and hardware were upgraded in 2019 to the latest software version with high-definition compatible encoders included.

The Independence meeting location for the Jackson County Legislature is in need of an upgraded encoder and associated software, to facilitate a return to holding meetings at that location.
