**RE:** Resignation as Acting Director of Finance and Purchasing

---

In regards to Executive Order 17-19, I request that you accept my resignation as the Acting Director of Finance and Purchasing and that I be able to resume my position as Deputy Chief Operating Officer.

When I accepted this appointment, I thought it was a temporary assignment to assist with the preparation and submittal of the 2018 budget especially with the approaching deadline that the Administration was facing and the resignation of the CFO/Director of Finance and Purchasing. I worked hard to ensure that your goals were represented and that a structurally-sound balanced budget was presented.

Furthermore, given the events that have occurred recently, I do not believe that I can effectively supervise Finance and Purchasing Associates or assure that the duties of the Department are being performed.

I resume my duties as the Deputy Chief Operating Officer and continue your vision of single-focus by managing Public Works and Facilities, Parks + Rec and assigned special projects.
