If said default shall continue and not be corrected by Organization within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Organization. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

9. **Appropriation of Funds.** Organization and the County recognize that the County intends to satisfy its financial obligation to Organization hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. In the event no funds or insufficient funds are appropriated and budgeted, or are otherwise unavailable by any means whatsoever for payment due hereunder, County shall immediately notify Organization of this occurrence and this Agreement shall terminate on the last day for which appropriations were received, without penalty or expense to the County of any kind whatsoever, except as to the portions of the payment amounts herein agreed upon for which funds shall have been appropriated and budgeted or are otherwise available, or at any time after the last date that County has paid for the Services, if earlier.

County further agrees:

A. That any funds authorized or appropriated for services rendered under this Agreement shall be applied to the payments hereunder until all such funds are exhausted.

B. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual budget, a request for adequate funds to meet its obligation under this Agreement in full.

10. **Conflict of Interest.** Organization warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

11. **Severability.** If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other covenant or provision unless so expressed herein.

12. **Indemnification.** Organization shall indemnify, defend and hold the County harmless from any and all claims, liabilities, damages, and costs (including reasonable attorney's fees directly related thereto) including but not limited to violation of civil rights and/or bodily injury to or death of any person and for damage to or destruction of property if and to the extent caused by the negligence, willful misconduct or omissions of Organization during the performance of this Agreement.

13. **Insurance.** Organization shall maintain the following insurance coverage during the term of this Agreement.

C. Organization agrees to provide the County with certificates of insurance evidencing the above described coverage prior to the start of Services, and annually thereafter, if required by the County. Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum of thirty days advance notice to the County in the event of cancellation, non-renewal, or reduction in limits by endorsement.

14. **Term.** The term of this Agreement shall commence January 1, 2023, and shall continue until December 31, 2023, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified by the County's audit.

15. **Termination.** This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. Termination of this Agreement shall not constitute a waiver of the rights or obligations which the County or Organization may be entitled to

receive as provided in this Agreement, or be obligated to perform under this Agreement for services prior to the date of termination. Should this Agreement terminate, all County written materials of any kind must be delivered and returned by Organization to the County within ten (10) days of the termination of this Agreement.

16. **Standard of Care.** Organization shall exercise the same degree of care, skill, and diligence in the performance of the Services as is ordinarily possessed and exercised by professionals operating under similar circumstances.

Our program fosters social-emotional learning which increases the likelihood of positive adult health outcomes. Environments where children feel supported and have opportunities to engage in different activities, can offset the negative effects of neighborhood disadvantage on brain development. Low levels of education are most persistent among subgroups that systematically exhibit the poorest health. Expanding STEM opportunities is one key to helping young people rise out of poverty.

**Provide program description:** MINDDRIVE partners with local schools to provide Engineering and Digital Content Design. Students receive elective credits toward their high school degree. Hands-on project-based courses expose students to metal fabrication, electric vehicle systems, steering design, braking, automotive design, robotics using project-based experiential learning. Leadership and growth opportunities are offered through our student leadership group, the Black Jackets, who serve as volunteer student program facilitators/peer mentors.

**Describe the benefits of this program to Jackson County Missouri:** We serve 250 Jackson County students per year in our school day and out of school programs. By also operating after-school, MINDDRIVE keeps vulnerable youth engaged during peak hours for juvenile crime and risky behaviors. Our enriching and productive activities produce successful graduates who have higher lifetime earnings potential and lower demands on social support programs.

**Describe target population to be served:** Underserved, culturally diverse teens (14-18 years old) in the urban core. 92% BIPOC, 30% female. 73% received free or reduced-price lunch during the most recent school year. **What are the qualifications for participants:** School day programming is offered to high school students at partner charter schools in the KPSD. Out of school programming is offered to teens 14 to 18. We work with staff in charter schools to identify and refer youth who would be a fit for the program. Calls for applications are made through social media and emails.

We see firsthand the learning loss, combined with mental health issues, that teachers are called to manage after several years of an unprecedented pandemic. According to DESE's Missouri Assessment Program Statistics, a majority of students from the schools we serve scored "Below Basic" on mathematics and science in the 2020-21 school year. 70% of our students live in neighborhoods with distress scores greater than 90 on a scale of 100 when evaluated on nearly every available social and economic measure.
