Any documents described herein which were submitted to the Department of Finance and Purchasing as a part of an application for funding need not be resubmitted to qualify for

Further, Organization shall sign an affidavit, attached hereto and incorporated herein as Exhibit B, affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services.

7. **Audit.** The parties agree that the County may, for any reason and at any given time, examine and audit the books and records of Organization pertaining to this Agreement. Further, Organization agrees to establish and adopt such accounting standards and forms as recommended by the County prior to receipt of the County's first distribution of funds under the terms of this Agreement. The forms used to document expenditure of these funds may be changed from time to time by the County.

8. **Default.** If Organization shall default in the performance or observation of any covenant, term or condition herein contained to be performed by Organization, the County shall give Organization ten days written notice, setting forth the default. If said default shall continue and not be corrected by Organization within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Organization. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

9. **Appropriation Of Funds.** Organization and the County recognize that the County intends to satisfy its financial obligation to Organization hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. 10. **Conflict Of Interest**. Organization warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

11. **Severability**. If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other covenant or provision unless so expressed herein.

12. **Indemnification.** Organization shall indemnify, defend and hold the County harmless from any and all claims, liabilities, damages, and costs (including reasonable attorney's fees directly related thereto) including but not limited to violation of civil rights and/or bodily injury to or death of any person and for damage to or destruction of property if and to the extent caused by the negligence, willful misconduct or omissions of Organization during the performance of this Agreement.

C. Organization agrees to provide the County with certificates of insurance evidencing the above described coverage prior to the start of Services, and annually thereafter, if required by the County. Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum of thirty days advance notice to the County in the event of cancellation, non-

renewal, or reduction in limits by endorsement.

14. **Term.** The term of this Agreement shall commence January 1, 2019, and shall continue until December 31, 2019, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified by the County's audit.

15. **Termination.** This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. Termination of this Agreement shall not constitute a waiver of the rights or obligations which the County or Organization may be entitled to receive as provided in this Agreement, or be obligated to perform under this Agreement for services prior to the date of termination. Should this Agreement terminate, all County written materials of any kind must be delivered and returned by Organization to the County within ten (10) days of the termination of this Agreement.

16. **Standard of Care.** Organization shall exercise the same degree of care, skill, and diligence in the performance of the Services as is ordinarily possessed and exercised by professionals operating under similar circumstances.

Date Program was Initiated: 2010

What time period does this program run: All Year

Provide program description: The Early Childhood Program will provide two nutritious meals and one snack daily for children from 6 weeks to 6 years old, year round. A cook prepares the meals and snacks and delivers them to the classrooms where the teachers serve the food to the children. Whatsoever is a state licensed program for our preschoolers. The Creative Curriculum model is used to provide the program a basis for the health, social development and educational growth of our children. Curriculum topics include health, food pyramid, literacy, math and science learning. Socialization is also stressed for our young children. Community youth and young adults are provided a healthy snack during the school year and a nutritious meal and snack during the summer. Positive youth development programming is held 5 days a week year round. Activities include scholastic growth, drug and alcohol abuse and violence prevention activities, G.E.D., English Language Learning, amateur boxing, nutrition and cooking classes, anger management, computer classes, video production and asset building. During 2019 Whatsoever will continue to enhance our nutrition programming with an expansion of our nutrition program which integrates physical activities along with best nutrition practices. Programming is held from 2:30M until 7:30PM during the school year. During the summer activities are held from 8:00AM until 7:00PM. In 2018 our Summer Program was able to provide a specific program for our youth ages 7 to 10. This is an age bracket that is too old for preschool and in most cases too young for the older youth programs. It was very successful and we will continue this program as funds are secured. There are weekend activities held at various times during the year. Our goal is to provide a large variety of activities to keep our community youth and their families engaged in positive growth programming. All of our programs are coordinated to assist the families in our community. There are parents/guardians attending G.E.D. or E.S.L. classes while their children attend preschool or after school programs. We strive to help our community members overcome some of the barriers they encounter as they proceed to better the life of our Jackson County family's.

Describe the benefits of this program to Jackson County Missouri: For every child and family member who grows to be a productive member of society the people of Jackson County benefit. The cost burden of incarceration, poor health and stunted physical and educational growth is a detriment to the people and government of Jackson County. If we can provide positive growth to our youth and their families they have a better chance of being positive tax payers instead of a tax burden. By assisting our community members to become stronger we help make Jackson County stronger.

Describe target population to be served: At-risk/low poverty level youth and young adults and their families ages 6 to 26 years old in Jackson county, Missouri. Children ages 6 weeks to 6 years old in Jackson county, Missouri.

What are the qualifications for participants: No one who participates in our program is turned away unless they exhibit behavior that is unacceptable and poses a risk to staff or other program participants. Whatsoever's main emphasis is on at-risk and poverty level below youth and their families in Jackson County, Missouri.
