If Organization has previously received funding from the County, to be eligible for future payments, Organization must submit either an audited financial statement for Organization's most-recent fiscal or calendar year, or a certified public accountant's program audit of the County's funds. Any documents described herein which were submitted to the Department of Finance and

Purchasing as a part of an application for funding need not be resubmitted to qualify for payment. No payment shall be made if Organization is out of compliance on any other County contract, or has not paid county taxes on all properties owned by Organization and assessed by the County.

7. **Audit.** The parties agree that the County may, for any reason and at any given time, examine and audit the books and records of Organization pertaining to this Agreement. Further, Organization agrees to establish and adopt such accounting standards and forms as recommended by the County prior to receipt of the County's first distribution of funds under the terms of this Agreement. The forms used to document expenditure of these funds may be changed from time to time by the County.

8. **Default.** If Organization shall default in the performance or observation of any covenant, term or condition herein contained to be performed by Organization, the County shall give Organization ten days written notice, setting forth the default. If said default shall continue and not be corrected by Organization within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Organization. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

9. **Appropriation Of Funds.** Organization and the County recognize that the County intends to satisfy its financial obligation to Organization hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. In the

event no funds or insufficient funds are appropriated and budgeted, or are otherwise unavailable by any means whatsoever for payment due hereunder, County shall immediately notify Organization of this occurrence and this Agreement shall terminate on the last day for which appropriations were received, without penalty or expense to the County of any kind whatsoever, except as to the portions of the payment amounts herein agreed upon for which funds shall have been appropriated and budgeted or are otherwise available, or at any time after the last date that County has paid for the Services, if earlier.

A. That any funds authorized or appropriated for services rendered under this Agreement shall be applied to the payments hereunder until all such funds are exhausted.

B. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual budget, a request for adequate funds to meet its obligation under this Agreement in full.

10. **Conflict Of Interest**. Organization warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

11. **Severability**. If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other

covenant or provision unless so expressed herein.

12. **Indemnification.** Organization shall indemnify, defend and hold the County harmless from any and all claims, liabilities, damages, and costs (including reasonable attorney's fees directly related thereto) including but not limited to violation of civil rights and/or bodily injury to or death of any person and for damage to or destruction of property if and to the extent caused by the negligence, willful misconduct or omissions of Organization during the performance of this Agreement.

13. **Insurance.** Organization shall maintain the following insurance coverage during the term of this Agreement.

C. Organization agrees to provide the County with certificates of insurance evidencing the above described coverage prior to the start of Services, and annually thereafter, if required by the County. Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum

of thirty days advance notice to the County in the event of cancellation, non-renewal, or reduction in limits by endorsement.

14. **Term.** The term of this Agreement shall commence January 1, 2018, and shall continue until December 31, 2018, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified by the County's audit.

15. **Termination.** This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. Termination of this Agreement shall not constitute a waiver of the rights or obligations which the County or Organization may be entitled to receive as provided in this Agreement, or be obligated to perform under this Agreement for services prior to the date of termination. Should this Agreement terminate, all County written materials of any kind must be delivered and returned by Organization to the County within ten (10) days of the termination of this Agreement.

16. **Standard of Care.** Organization shall exercise the same degree of care, skill, and diligence in the performance of the Services as is ordinarily possessed and exercised by professionals operating under similar circumstances.

Introduction and History

Great Plains SPCA is Kansas City Metro's most comprehensive animal welfare agency, offering a full-circle approach to animal welfare with twelve life-saving programs to help pets and people of all ages. We are a no-kill organization, proudly reporting a 95% live-release rate or higher. We served over 25,000 pets in 2017 alone. Additionally in 2017, we housed almost 11,000 homeless pets, adopted over 9,500 pets, delivered affordable veterinary care to over 15,000 public pets, and provided assistance, through our Pet Food Pantry to 14,000 families. On a daily basis, Great Plains SPCA has over 800 pets in our care between our facilities and fosters homes. Great Plains SPCA is a true safety net for needy pets in the Kansas City Metro.

As the Metro's only bi-state agency, the people and animals in our community rely on us to provide lifesaving support each and every day. Since our inception in 2011, the number of animals we serve each year has more than tripled in direct correlation with the demand we are being met with. We have seen the largest demand for our services in the City of Independence, especially with helping families with resources. As the urgent demand for our services continues on a rapid uphill climb so does our need for financial support and creative ways to place more animals into homes and to expand our outreach program in order to continue our lifesaving work.

Great Plains SPCA has provided outreach programs in the cities we serve to help families keep their animals at home and get the necessary education, food, and medical services needed. We have participated in targeted spay/neuter efforts reducing the number of companion animals readily available for adoption, such as Independence. We must expand our outreach program to Independence so we can be part of a bigger solution and not contribute to the ongoing problem of increased intake.

The HERO (Humane Education Resources Outreach) Team serves the animals in our community who are most in need of a helping hand. Whether it is a dog living outside year round without proper shelter, a pet owner who loves their pet but cannot afford to buy pet food or a group of feral cats who need to be spayed or neutered, our team is committed to helping improve the lives of pets in our community.

Many of the animals served through this program have owners with limited financial resources – yet many have huge hearts. With a little education on how to better meet the needs of their pets, and the importance of spaying and neutering, we have been able to turn some “less than ideal” situations into success stories.

- * Food assistance to keep from going hungry
- * Low-cost spay/neuter or veterinary care
- * Shelter or straw for appropriate outdoor housing
- * Trap Neuter Return for feral or free roaming cats
- * Advice for behavioral issues

The financial burden of all outreach cost are up to the originating shelter. While there is a direct cost associated with this program it is far less than the cost to house these animals in the Independence shelter. It also provides an outlet for these animals during peak times for intake (March through October) keeping in-house inventory at a reasonable level and insuring the shelter has the room it desperately needs.

The largest expense for Great Plains SPCA is staffing, medical, and supply cost. Other costs include promoting this program to those in need and providing materials to educate the public. Great Plains SPCA is requesting grant funding to help expand this program in Independence. Total estimated costs for this project are \$150,000.

High-Level Costs

The following estimates outline how the funds would be utilized.

Costs:

This generous contribution would enable us to continue this important lifesaving program that places and sustains more pets in their forever home, decreases animal inventory at the Independence Regional Shelter (therefore reducing costs), and balances intake and animal population in the City of Independence.

WORK AUTHORIZATION AFFIDAVIT

As a condition for any service provided to the County, a business entity shall, by sworn affidavit and provision of documentation, affirm its enrollment and participation in a federal work authorization program with respect to the employees working in connection with the contracted services.

Business entity, as defined in section 285.525, RSMo pertaining to section 285.530, RSMo, is any person or group of persons performing or engaging in any activity, enterprise, profession, or occupation for gain, benefit, advantage, or livelihood. The term "business entity" shall include but not be limited to self-employed individuals, partnerships, corporations, contractors, and subcontractors. The term "business entity" shall include any business entity that possesses a business permit, license, or tax certificate issued by the state, any business entity that is exempt by law from obtaining such a business permit, and any business entity that is operating unlawfully without such a business permit.

Every such business entity shall complete the following affidavit affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services. The completed affidavit must be returned as a part of the contract documentation.

This affidavit affirms that **Great Plains SPCA**, is enrolled in, and is currently participating in, E-verify or any other equivalent electronic verification of work authorization operated by the United States Department of Homeland Security under the Immigration Reform and Control Act of 1986 (IRCA); and, **Great Plains SPCA**, does not knowingly employ any person who is an unauthorized alien in conjunction with the contracted services.

In Affirmation thereof, the facts stated above are true and correct. (The undersigned understands that false statements made in this filing are subject to the penalties provided under section 575.040, RSMo.)
