REQUEST SUMMARY	<p>Chapter 52 of the County Code pertains to Traffic control on County Roads. The code is updated from time to time to ensure changes in traffic controls measures are up to date in the code. The department of Public Works and Parks + Rec have completed a review of the chapter 52, and have made changes to update schedules I through XII. Examples of changes are deleting streets that have been annexed by a city, adding streets that have been built by developers and are now part of the county road system, correcting spelling errors, clarifying language at stop intersections, and other minor changes.</p> <p>Staff has prepared new schedules I through XII that incorporates those changes and is set up to totally replace the existing schedules I through XII.</p> <p>We request that an ordinance be prepared authorizing the deletion of the existing chapter 52, Traffic Code, Schedules I through XII and inserting the new chapter 52, Traffic Code, Schedule I through XII, attached to this RLA.</p>
