Hey – Attached is the State of Missouri Contract we can “piggyback” off. The award is to Motorola Solutions Inc. for Public Safety Communications Products, Services and Solutions. It is a NASPO Value Point contract and the Master Agreement # 00318 and the lead agency is the State of Washington. Document page 2 shows the contract no. and signature (CT221247003 CL), document page 3 shows the term (good till 12/31/2026), document pages 22 – 40 show the pricing and at document page 223 begins the product info.

I have Motorola’s signed and notarized affidavit and their certificate of compliance so if you are all in agreement, I can generate the eRLA for legislative approval. If so, will need your department estimated spend on letterhead.
