RE: Use of CURS Funds for Colbern Road Pavement Evaluation

Please accept this letter as a request to use Lee's Summit CURS funds to complete the proposed pavement evaluation on Colbern Road between Todd George Parkway and Cyclone Lane. City staff requested this evaluation in order to ensure the pavement met specifications when constructed. As you know, City staff is unwilling to accept maintenance responsibility for the road in its current condition. We hope the evaluation will help determine how to resolve this issue.

If you need additional information about this request, please advise.

Sincerely,

Dena E. Mezger, P.E.
Deputy Director/City Engineer
