This agreement is to extend services provided by City Ordinance No. 15223, initially agreed to on October 10, 2002.

The County desires to use the City's Public Works Facility site at 1030 S. Chrysler, Independence, MO 64050, for fueling purposes for County Vehicles.

The City is agreeable to sell fuel to the County at a cost of eleven cents per gallon over the purchase price.

In consideration of this agreement both parties mutually agree:

1. The City will provide fuel upon availability to County vehicles to be dispensed in a manner approved by the City. The County agrees to waive, release and forever discharge the City and to hold harmless and indemnify the City, its employees, administrators, officers, agents and representatives from all costs, including attorney's fees, arising from any and all injuries and/or damages incurred by the County and/or its employees in the course of the provision of fuel by the City to the County.
2. The City will maintain a record of fuel used by County asset number, and bill the County monthly based upon total usage. The City does not make any representations, warranties or agreements as to the quality or suitability of the fuel, the facilities and equipment at this facility.
3. The County agrees to pay on a monthly basis, bills issued by the City within 30 days of receipt of bill.
4. The parties agree that the price of the fuel dispensed shall be the City's purchase price plus eleven cents per gallon, which shall cover the cost to manage the fueling system. This agreement shall be for the period of October 11, 2021, and ending October 10, 2022. This agreement may be renewed for successive annual periods upon agreement by both parties, with 90 days notice. Notice of termination shall be done 90 days before the termination date.
