RE: Term and Supply Contract 24-082 Body Transport

After careful review of bids for Body Transport Services, the Medical Examiner's Office has chosen First Call, Inc., our current provider. While both vendors' bids are the same cost per pick-up, other important factors were taken into consideration.

As a Class 1 jurisdiction, the high volume of Medical Examiner cases within Jackson County, our body transport services require an experienced staff and reliable fleet. We feel with over 20 years in the body transport business, and recommendation from other medical examiner offices, First Call is the best choice.

Our estimated annual usage for this contract is \$250,000.

Please contact me at (816) 881-6600 if you have any questions.

Thank you,
