DEPARTMENT: Public Works/Facilities Management

TITLE: Authorizing a Twelve (12) Month Term and Supply Contract with a One (1) Twelve Month option to extend for the furnishing of Disaster Recovery Services for County wide use to 21st Enterprise, LLC a/k/a: ServPro of Lee's Summit, Missouri under the terms and conditions of the Junior College District of Metropolitan Kansas City, Missouri (MCC) Contract No. 19-7242-C3R2.

SUMMARY: Due to the aging infrastructure of County buildings, a Term and Supply contract for disaster recovery services is required for emergency situations needing clean-up and recovery (example: pipes breaking, flooding, etc.). MCC has competitively bid for disaster recovery services and the County would like to utilize that contract. Pursuant to Section 1030.4 of the Jackson County Code, the Purchasing Department recommends the approval of a Term and Supply contract for disaster recovery services via the MCC contract No. 19-7242-C3R2 with 21st Enterprise, LLC a/k/a ServPro of Lee's Summit, Missouri, a competitively bid government contract. The county estimates an annual usage of \$400,000. The award is made on an "as needed" basis and does not obligate

Jackson County, Missouri for any specific amount. The availability of funds for specific projects is subject to appropriation. Compliance has been checked and the recommended vendor has a current certificate on file.
