Throughout my career as a graphic designer and art educator, I have developed a self-motivated, goal-oriented work style with an emphasis on relationships, communication and interpersonal skills. Working with youth pairs creativity and quick thinking with patience and planning, while my experience in graphic design taught me to work well both independently and as a part of a team. Through working with high school students to be youth mentors for younger students, the youth mentors developed entrepreneurial drive, environmental awareness and leadership abilities with a goal of developing their life skills while enhancing the younger students' experience in after school programming.
