

Office of the JACKSON COUNTY SHERIFF

Sheriff Darryl Forté

INTER-OFFICE MEMO

To: Jackson County Purchasing Department

From: Sgt. Danny F. Barnes, #25/0340

Re: Motorola Solutions, Inc. Service Agreement – Sole Source

Date: 08-16-2024

To whom it may concern:

Jackson County, Missouri is a participant in the Metropolitan Area Regional Radio System, and owns equipment for 911 Emergency Radio Dispatching, P25 Radio Sites, and Microwave Links between such sites.

The original manufacturer and installer of the equipment is Motorola Solutions, Inc.

As the original manufacturer and installer, Motorola Solutions, Inc., is the only provider of factory service and maintenance for the equipment and should be considered a sole source for service and maintenance contracts.

Thank you for your consideration,

Sgt. Danny F. Barnes, #25/0340
