RE: Bid No. 24-034 Lawn & Golf Course Equipment, Parts, Repair, & Small Engine Services

Fred Arbanas Golf Course requires services to purchase parts for maintenance equipment as well as services for small engines. The purchasing department issued bid No. 24-034 to meet these needs.

After reviewing both bids, we recommend Lawn and Leisure to win the bid. They are local, provide parts for John Deere, provide excellent service, and are the lowest bid.

Fred Arbanas Golf Course estimates a yearly spend of \$50,000 subject to budget approval.

MEMORANDUM

TO: John Konon, Finance and Purchasing Department

FROM: Matt Willier, Assistant Road and Bridge Administrator, Public Works Department

DATE: June 27, 2024

SUBJECT: Recommendation for Vendors: Lawn & Leisure of Lee's Summit Inc., & Van Wall Equipment

Please consider bid No. 24-034 Lawn & Golf Course Equipment parts, repair, and small engine services be split and awarded to Lawn & Leisure of Lee's Summit Inc., & Van Wall Equipment.

One single vendor does not accommodate every service needed for County equipment. One vendor may have a cheaper price or better availability than the other for certain parts, brands, and/or services.

It is estimated that Road & Bridge Public Works could spend approximately \$10,000.00 annually between these 2 vendors. ✓

For the reasons above, it has been requested that bid No. 24-034 Lawn & Golf Course Equipment parts, repair, and small engine services be split and awarded to Lawn & Leisure of Lee's Summit Inc., & Van Wall Equipment.

Thank you for your consideration,

Matt Willier, Assistant Road and Bridge Administrator
