<p>REQUEST SUMMARY</p>	<p>In 2010 the Mid America Regional Council (MARC) awarded Jackson County 80% federal reimbursement for construction of "Improvements to Lee's Summit Road, Anderson Dr. To U.S. 40 Hwy.", not to exceed \$7.12M. In that same year MARC awarded federal funding to MoDOT for construction of "Improvements to the Intersection of U.S. 40 Hwy. and Lee's Summit Road". These two projects are contiguous.</p> <p>In October 2011 Jackson County Public Works requested that MoDOT advertize, let and administer the two projects in tandem. MoDOT agreed. Combining the two projects will: 1) reduce the County's initial investment to our 20% match only (currently estimated at \$1.8M KC-CURS); 2) allow MoDOT to get more competitive bids by bidding their relatively small job with a larger project; and, 3) simplify federal reimbursement by allowing MoDOT to retain the federal share rather than reimbursing it back to Jackson County in installments. The attached Agreement defines the structure by which the County transfers money to MoDOT for administering the project.</p> <p>The projects are currently scheduled to advertize in June of this year and construction is anticipated to begin in August. The project should be completed by the end of 2015. Jackson County will furnish day-to-day construction inspection.</p> <p>Therefore, Public Works recommends that the County Executive be authorized to execute an Agreement with MoDOT which: 1) authorizes MoDOT to administer construction of "Improvements to Lee's Summit Road, Anderson Dr. to U.S. 40 Hwy", County Project No. 3122; and, 2) defines the mechanism by which local and federal funding is transferred to MoDOT from the County, for Administrative services.</p>
