14. **Term.** The term of this Agreement shall commence January 1, 2023, and shall continue until December 31, 2023, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. Community Infrastructure

Other organizations in the community that provide the same or similar services as your organization.

True Light Family Resource Center operates the ONLY women-only walk-in day shelter, and the ONLY women-only transitional living program that accepts women without an addiction diagnosis. Our generalist services make us a referral resource for specialized agencies. Case managers from mid town agencies refer and or bring clients to True Light for generalist supportive services or refer women to transitional program.

Compare your programs and results to others working in the same field.

Homelessness increases the risk of having health problems and encountering barriers to care. Safe shelter and nutrition is preventative health care. Research has also shown the homeless have higher rates of hypertension, arthritis, mental illness, victimization, tuberculosis, and substance abuse. Care coordination by staff and case managers help clients receive immediate care, obtain needed hygiene products, sign up for SSD, etc.

List all partnerships you have with other organizations along with the nature of the partnership.

For generalist services: Reconciliation Ministry, Journey to New Life, Shelter KC, Truman Behavioral Health, ReDiscover, Neighbor 2 Neighbor, KC Veterans Project, UMKC and Metro Lutheran Ministries. For our Day Shelter and Transitional Living Center, we partner with the MU Extension, the Kansas City Public Library, Truman Behavioral Health and Bless My Home. We receive referrals from shelters and domestic violence agencies.

What time period does this program run: All Year

Provide program description: Services for Homeless Women include our women-only day shelter, generalist services through Family Resource Center, case management, rehousing and transitional living program. Showers, Laundry, Computer lab, educational and health classes 4-6 pm Mon. - Thurs. by qualified instructors, Three meals served daily. Case management available to all clients. Access to emergency assistance, documentation services, clothing, food pantry, diaper program.

Describe the benefits of this program to Jackson County Missouri: True Light addresses the root causes of homelessness through a range of essential support services and case management. Homeless women are provided with safety and given respite from the street. By providing shelter, we reduce the risk of crimes committed against women within Jackson County. By providing case management, classes in life skills, emergency assistance for first month's rent, and furniture, we help to reduce and prevent homelessness.

Describe target population to be served: Shelter-insecure women and accompanying children. Addiction diagnosis not required.

What are the qualifications for participants: We accept all who seek our assistance. We do not require financial documents to demonstrate financial need. However, we inquire if clients have a SNAP card or Medicaid card. We search for clients in the city-wide database (MAACLink) provided by the MidAmerica Assistance Coalition for emergency assistance by social service agencies. For the transitional living program, clients must be drug free, and must test negative for HIV and TB and have a clean police report.

Check if your services are available to anyone: Yes

How do you maintain a database of participants: Macclink

Number of participants from Jackson County: 1,000

Number of participants from Other Areas: 0

Total Number of participants: 0

Identify the community need for your organization's program and services in Jackson County.

True Light's women-only day shelter and transitional living home serve a high need by accepting women without an addiction diagnosis. These are women with mental, emotional, abuse issues, etc. The requirement by all other metro women's programs for an addiction diagnosis is a direct barrier to service for 50% to 75% of shelter-insecure women. By providing a safe haven for women, we remove them from harm on the streets and connect them to case management and skill development for secure housing.
