9. **Appropriation Of Funds**. Organization and the County recognize that the County intends to satisfy its financial obligation to Organization hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. budget, a request for adequate funds to meet its obligation under this Agreement in full.

10. **Conflict Of Interest.** Organization warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

C. Organization agrees to provide the County with certificates of insurance evidencing the above described coverage prior to the start of Services, and annually thereafter, if required by the County. Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum of thirty days advance notice to the County in the event of cancellation, non-renewal, or reduction in limits by endorsement.

14. **Term.** The term of this Agreement shall commence January 1, 2020, and shall continue until December 31, 2020, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified by the County's audit.

15. **Termination.** This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. Should this Agreement terminate, all

County written materials of any kind must be delivered and returned by Organization to the County within ten (10) days of the termination of this Agreement.

Date Program was Initiated: 2010

What time period does this program run: All Year

Provide program description: Abby's Fund for Musicians' Health Care was created in 2008 when Kansas City musician Abigail Henderson was diagnosed with breast cancer. The local music community raised money to help Abigail pay for medical bills and treatment costs, an outpouring of community support that led her to co-found Midwest Music Foundation (MMF) to provide area musicians with health care assistance. Though Abigail passed away in 2013, MMF continues her mission to invest in Kansas City's musical artists. This fund is designed to assist members of the KC-area music community with emergency medical situations. Additionally, MMF is devoted to helping musicians navigate their health care options and providing preventative care services. Since the inception of the fund, MMF has awarded over \$200,000 in health care assistance to 256 Kansas City area musicians. Abby's Fund is available to those suffering medical emergencies to help pay for urgent needs such as medical bills, rent, or utilities due to lost work. MMF has been able to grant some kind of assistance to every applicant and directs them to additional resources as needed. MMF has partnered with the RockDocs and other area health care providers to provide preventative care and free health care clinics, providing flu shots, custom earplugs, mammograms, colon cancer screening kits, physical and massage therapy, and other medical information and services to musicians throughout the year. We are also working to add dental, vision, mental health and addiction/recovery programs to our services in the future.

Describe the benefits of this program to Jackson County Missouri: Abby's Fund provides immediate assistance to Jackson County residents suffering urgent medical needs through our health care assistance grants. These are small (up to \$2000) stipends that help with immediate needs, while we guide them to other resources that may take longer to receive, such as government assistance. Without this assistance, some applicants could become homeless or unable to pay their utilities/basic living needs. Our preventative care clinics provide much needed care that can prevent disease, hearing loss, and other more serious health conditions. We also provide information on ACA and private insurers with a goal of getting more people insured to cover future health care costs.

Describe target population to be served: Greater Kansas City-area musicians and their families and music workers, which include sound engineers, technicians, venue employees, booking agents and management. Because of the universal quality of music, MMF has the potential to reach a broad range of ages, races, religions and sexual orientations.

What are the qualifications for participants: For our emergency health care grants: Must have suffered a medical emergency or urgent medical condition. Must reside in Kansas City or surrounding areas. Must provide three references, who will be contacted. Must currently be employed or have been employed in the last 12 months as a musician or in the music industry. For health care clinic: Our clinics are open to the public with priority given to musicians/music industry personnel. The custom earplugs were given to musicians or those working directly in the music industry in proximity to loud music. Mammograms were given to musicians or music industry personnel. RockDocs provide other services to public as time allows at our events. Flu shots were given to all interested attendees at our Apocalypse Meow fundraiser. Our colon cancer screening program is available to anyone over 50 or that qualifies based on symptoms/family history.
