

COOPERATIVE AGREEMENT

THIS AGREEMENT, made by and between **JACKSON COUNTY, MISSOURI**, a Constitutional Home Rule Charter County of the First Class of the State of Missouri, hereinafter referred to as "the County" and a Missouri not-for-profit corporation, **HARVESTERS - THE COMMUNITY FOOD NETWORK 3801 TOPPING AVENUE KANSAS CITY, MO 64129**, hereinafter referred to as "Organization".

WHEREAS, the County and Organization desire to enter into an Agreement to provide funding to be used for Jackson County Food Distribution; and,

WHEREAS, the County deems it to be in the best interest of its citizenry to support such programs and activities; and,

NOW THEREFORE, in consideration of the foregoing and the terms and provisions herein contained, the County and Organization respectively promise, covenant, and agree with each other as follows:

NOW, THEREFORE, it is agreed by and between the parties as follows:

1. **Services**. Organization shall provide services Jackson County Food Distribution, as is more fully set out in the proposal attached hereto as Exhibit A and incorporated herein by reference. The term of this contract is January 1, 2019, through December 31, 2019, and as such, all expenditures must occur within this period. The budget Organization submitted as part of Exhibit A is considered final and non-changeable.

2. **Terms Of Payment**. The County agrees to pay Organization the total amount of **\$60,000.00** in quarterly installments of **\$15,000.00**, with the payment for the

first quarter in advance upon execution of this Agreement; this is the ONLY payment that may be made in advance throughout the entire term of this Agreement. The remaining payments shall be made upon the County's receipt of the quarterly reports as set forth in paragraph 3 hereof. The County reserves the right to audit all invoices and to reject any invoice for good cause. The County retains the right to deduct from an invoice of Organization any overpayment made by the County on a prior invoice. The County retains the right to make invoice corrections/changes. The County will not reimburse sales tax expense.

3. Reports/Other Documentation. Within 30 days after the conclusion of each calendar quarter under this Agreement, Organization shall submit a quarterly reconciliation report through the Outside Agency Portal along with proof of payment and receipt documentation that reconciles to the quarterly report, including cancelled checks and/or a copy of the face of the check and corresponding bank statements, invoices, and any other documents requested by the Department of Finance and Purchasing, to establish that the funds provided pursuant to this Agreement were used for the purposes set forth herein. The report for the first quarter must be submitted within 30 days after the execution of this Agreement. The last quarter's report shall include an annual report which shall summarize all of Organization's activities pursuant to this Agreement. Organization's failure to submit this annual report shall disqualify Organization from future funding by the County. Organization must submit all quarterly reconciliation reports in the format specified by the County regardless of whether activity took place in each quarter, before the next quarterly payment will be processed. Any quarterly reports that are incomplete or incorrect will delay payment.

Organization must notify the County in writing on Organization's letterhead, within five working days of the following changes:

- a. Organization name, address, telephone number, administration, or board of directors
- b. Organization funding that will affect the program under this contract
- c. Liability insurance coverage
- d. Management or staff responsible for providing services pursuant to this contract. When a management or staff position responsible for providing services pursuant to this contract is vacated and when the position is subsequently filled, the following will apply i.) reimbursement for a vacated position will be suspended until it is filled, and ii.) if another person under this contract assumes the duties of the vacated position, the Organization will not be allowed to bill the County for both positions.
- e. Any proposed or actual merger or acquisition either taken by the Organization or toward the Organization

4. **Submission of Documents.** No payment shall be made under this Agreement unless Organization shall have submitted to the County's Department of Finance and Purchasing through the Jackson County Outside Agency portal accessible on www.jacksongov.org/auditor: (1) a written proposal setting out in detail the intended use of the County's funding, including the target population to be served; (2) Organization's IRS Form 990 from the previous fiscal or calendar year; (3) a statement of Organization's total budget for its most recent fiscal year; and (4) a detailed explanation of actual expenditures of the County's funds (pertains to final payments and payments on contracts for future years). If Organization has previously received funding from the County, to be eligible for future payments, Organization must submit either an audited financial statement for Organization's most-recent fiscal or calendar year, or a certified public accountant's program audit of the County's funds. Any documents described herein which were submitted to the Department of Finance and Purchasing as a part of an application for funding need not be resubmitted to qualify for

payment. No payment shall be made if Organization is out of compliance on any other County contract, or has not paid county taxes on all properties owned by Organization and assessed by the County.

5. **Equal Opportunity**. Organization shall maintain policies of employment as follows:

A. Organization and Organization's subcontractor(s) shall not discriminate against any employee or applicant for employment because of race, religion, color, sex, age, disability, or national origin. Organization shall take affirmative action as set forth to ensure that applicants for employment and employees are treated without regard to their race, religion, color, sex, age, disability, or national origin. Such action shall include, but not be limited, to the following: recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Organization agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the policies of non-discrimination.

B. Organization and Organization's subcontractor(s) shall, in all solicitation or advertisements for employees placed by them or on their behalf, state that all qualified applicants will receive consideration for employment without regard to race, religion, color, sex, age, disability, or national origin.

6. **Employment Of Unauthorized Aliens Prohibited**. Pursuant to §285.530.1, RSMo, Organization assures that it does not knowingly employ, hire for employment, or continue to employ an unauthorized alien to perform work within the State of Missouri and/or Jackson County, and shall affirm, by sworn affidavit and provision of

documentation, its enrollment and participation in a federal work authorization program with respect to the employees working in connection with the contracted services. Further, Organization shall sign an affidavit, attached hereto and incorporated herein as Exhibit B, affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services.

7. **Audit.** The parties agree that the County may, for any reason and at any given time, examine and audit the books and records of Organization pertaining to this Agreement. Further, Organization agrees to establish and adopt such accounting standards and forms as recommended by the County prior to receipt of the County's first distribution of funds under the terms of this Agreement. The forms used to document expenditure of these funds may be changed from time to time by the County.

8. **Default.** If Organization shall default in the performance or observation of any covenant, term or condition herein contained to be performed by Organization, the County shall give Organization ten days written notice, setting forth the default. If said default shall continue and not be corrected by Organization within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Organization. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

9. **Appropriation Of Funds.** Organization and the County recognize that the County intends to satisfy its financial obligation to Organization hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. In the event no funds or insufficient funds are appropriated and budgeted, or are otherwise

unavailable by any means whatsoever for payment due hereunder, County shall immediately notify Organization of this occurrence and this Agreement shall terminate on the last day for which appropriations were received, without penalty or expense to the County of any kind whatsoever, except as to the portions of the payment amounts herein agreed upon for which funds shall have been appropriated and budgeted or are otherwise available, or at any time after the last date that County has paid for the Services, if earlier.

County further agrees:

A. That any funds authorized or appropriated for services rendered under this Agreement shall be applied to the payments hereunder until all such funds are exhausted.

B. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual budget, a request for adequate funds to meet its obligation under this Agreement in full.

10. **Conflict Of Interest.** Organization warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

11. **Severability.** If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other covenant or provision unless so expressed herein.

12. **Indemnification.** Organization shall indemnify, defend and hold the County harmless from any and all claims, liabilities, damages, and costs (including reasonable attorney's fees directly related thereto) including but not limited to violation of civil rights and/or bodily injury to or death of any person and for damage to or destruction of property if and to the extent caused by the negligence, willful misconduct or omissions of Organization during the performance of this Agreement.

13. **Insurance.** Organization shall maintain the following insurance coverage during the term of this Agreement.

A. Organization shall maintain Commercial General Bodily Injury and Property Damage Liability insurance, each in a combined single limit of One Million Dollars (\$1,000,000) each occurrence for bodily injury and property damage liability.

C. Organization agrees to provide the County with certificates of insurance evidencing the above described coverage prior to the start of Services, and annually thereafter, if required by the County. Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum of thirty days advance notice to the County in the event of cancellation, non-

renewal, or reduction in limits by endorsement.

14. **Term**. The term of this Agreement shall commence January 1, 2019, and shall continue until December 31, 2019, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified by the County's audit.

15. **Termination**. This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. Termination of this Agreement shall not constitute a waiver of the rights or obligations which the County or Organization may be entitled to receive as provided in this Agreement, or be obligated to perform under this Agreement for services prior to the date of termination. Should this Agreement terminate, all County written materials of any kind must be delivered and returned by Organization to the County within ten (10) days of the termination of this Agreement.

16. **Standard of Care**. Organization shall exercise the same degree of care, skill, and diligence in the performance of the Services as is ordinarily possessed and exercised by professionals operating under similar circumstances.

Date Program was Initiated: 2010

What time period does this program run: All Year

Provide program description: Harvesters—The Community Food Network feeds hungry people today and works to end hunger tomorrow by distributing nutritious food to people who otherwise would not have enough to eat to live a healthy life. Harvesters has been our region's solution to hunger for 39 years, serving as the community's link between an abundant food supply and people in need. We are the only food bank serving Jackson County. Harvesters' expertise in distributing food and related products through our network of more than 600 Jackson County nonprofit agencies is essential to county residents. In partnership with our network of emergency food pantries, mobile food pantries, community kitchens, shelters, schools, daycares, and senior centers, we offer meals and programs that improve the lives of food-insecure children, families, and seniors who otherwise would not have enough to eat. Through Harvesters' online system, agencies order a variety of food-insecure children, families, and seniors who otherwise would not have enough to eat. Through Harvesters' online system, agencies order a variety of shelf-stable, fresh, and frozen food, plus household products, with additional perishable items available for pick-up from our warehouse Shopping Floor. Food is delivered to and/or picked up by agencies. More than 50 sites host monthly mobile food distributions, where a Harvesters semi-truck brings out fresh produce and other perishable items; sets items up outside, and distributes the food over a couple hours to people in need. Schools enroll in BackSnack (children's weekend backpack feeding program) and Kids Cafe (after-school and summer meals) programs to fill the meal gap when students don't have access to free and reduced school meals.

Describe the benefits of this program to Jackson County Missouri: Getting food to people in need benefits people who are struggling, and ultimately strengthens the health of our community as a whole. Harvesters envisions a time when everyone in our community will have access to enough nutritious food to maintain a healthy lifestyle. That is not the reality for the 117,270 food-insecure people who live in Jackson County, which means 17.2% of our neighbors do not have enough to eat (Map the Meal Gap 2018). The rate of childhood food insecurity in Jackson County is even higher at 18.7% — affecting nearly 31,000 children. The majority of Harvesters clients' household incomes are at or below the federal poverty line (\$25,100 for a family of four). According to the USDA, individuals with low household incomes tend to have low-quality diets. For example, local findings show that Kansas City low-income neighborhoods have less availability of fresh produce; and what is available for purchase is at a higher cost for lower quality. Of the many strategies people use to cope with food insecurity, 78% of Harvesters' Jackson County clients admit to turning to inexpensive, unhealthy food. Over time these strategies impact people's overall health and have financial implications. Food-insecure people are at higher risk for diet-related diseases, such as type II diabetes, high blood pressure, heart disease, and obesity. Harvesters' national access and regional reach through its programs and partners, make it possible to acquire and distribute the most nutritious food available. Through Mobile Pantries (distributing mostly produce) and our network of partner agencies, we ensure healthy food is accessible to people in underserved areas. Coupling our continuously increasing emphasis on healthy food with integration of nutrition services (such as hands-on classes, pantry training, health screenings, cooking demonstrations, and giving out recipes to accompany unique produce so people know how to store and prepare it) equips clients with the know-how to make healthy choices. Access to basic nutrition and the knowledge to live a healthier lifestyle help people feel better, live better, and contribute to a healthier community. Food-insecure children benefit from Harvesters overall food distribution as well as specific kids programs. Our flagship program for reaching food-insecure children is BackSnack — the largest weekend backpack feeding program in the nation. Harvesters has set best practices for other food banks looking to expand these types of programs. Through BackSnack, children who might otherwise go hungry over weekends and breaks from school, benefit from this reliable source of balanced meals and return to school on Monday mornings ready to learn and play with their peers.

Describe target population to be served: In Jackson County, Harvesters' purpose is to serve the 117,270 food-insecure people who may not know where their next meal will come from. Overall, about one in four Harvesters clients are children, and one in five are seniors. In Jackson County, just over 70% of our clients live at or below the federal poverty line. Clients identify as Caucasian (41%), African-American (40%), Hispanic (10%), and other diverse backgrounds (9%). More than a quarter of Jackson County client households have a member in poor health and 35% include at least one person with diabetes, while 65% have someone in the home with high blood pressure.

What are the qualifications for participants: Harvesters leaves client eligibility criteria to the discretion of each partner agency, however all partner agencies must provide written documentation of their criteria and outline the procedure used to determine whether clients meet it. Criteria for service should not be overly burdensome for the client. If the agency collects identifying information (such as birthdates or social security numbers) proper security protocols should be in place to protect client data. Criteria must be posted where prospective clients can view it prior to receiving services. Hours of operation must be posted. Agencies may not solicit contributions from clients. Partner agencies must utilize some criteria for ensuring that products distributed by the program(s) will be received by the ill, needy, or infants as outlined in Section 170(e)(3) of the Internal Revenue Code.

Outcomes

Outcome: Distribute 19 million pounds of food in Jackson County

How will outcome be measured: All food is weighed as it enters and exits the warehouse. We track food distribution by county through deliveries, pickups, and agency reports. Reports are analyzed monthly. Adjustments are made as necessary to ensure accurate, equitable distribution.

Outcome: Distribute 15.8 million meals in Jackson County

How will outcome be measured: The USDA defines an average meal as 1.2 pounds of food. Pounds distributed divided by 1.2 illustrate number of meals provided.

Outcome: Distribute 3.5 million pounds of produce in Jackson County

How will outcome be measured: Produce is weighed as it enters and exits the warehouse. Because of its importance to a healthy diet and desirability by clients, Harvesters tracks the category of fresh produce acquisition and distribution by county.

Outcome: Distribute BackSnack to 5,000 children in Jackson County during the school year.

How will outcome be measured: School site coordinators submit monthly reports to Harvesters regarding number of students who receive BackSnacks.
