Introduction

Action Items: ['Authorize']

Project/Title:

Authorizing the purchase of one (1) T770 T4 Bobcat Compact Track Loader with attachments for \$97,630. This piece of equipment would be purchased from Clark Equipment, under the terms and conditions of NASPO Construction Contract CC190249002, an existing competitively bid government contract. This Contract offers a 30% discount on the Compact Track Loader and a 24% discount on the attachments.

Request Summary

Pursuant to Section 1030.4 of the Jackson County Code, Parks + Rec and the Purchasing Department recommend the purchase of one (1) T770 T4 Bobcat Compact Track Loader and attachments. The Compact Track Loader will replace an existing 1987 skid steer loader that is beyond its expected useable life and cost-effective repair. This piece of equipment will be primarily used in Fleming Park for light construction, repairs and maintenance for facilities such as campgrounds, marinas, and historic sites. This unit will be used system-wide in the Parks for road and parking lot repairs. The attachments being ordered facilitate better quality and more efficient methods that result in longer lasting pothole repairs in the park roads and parking lots.

Funding is available within the Department's approved 2023 Budget, Account 1010-003-58110 for this purchase. The cited NASPO Construction Contract and quote are attached for your review and reference.
