DEPARTMENT: Public Works

TITLE: Authorize a twelve (12) Month Term and Supply Contract with one (1) Twelve (12)month option to extend, for the furnishing of International Dump Truck Repair for the Public Works Department to Rush Truck Centers of Kansas City, MO as a Sole Source Vendor.

SUMMARY: The Public Works Department is requesting authorization for a term and supply vendor to repair International Dump Trucks. The Public Works Road & Bridge Division has several International brand Dump Trucks that need parts or repair. This equipment is necessary for daily operations throughout the year including the annual Road Program and Inclement weather snow season. Pursuant to Section 1030.1 of the Jackson County Code, the Purchasing Department recommends Rush Truck Centers of Kansas City, Missouri for parts and repairs of International Dump Trucks as a Sole Source. Research done by both the Purchasing Department and the Public Works Division indicates that Rush Truck Centers is the closest International Truck repair shop capable of providing parts and/or repairing this specialized equipment near the Kansas City area. This award is made on an "as needed" basis and does not obligate Jackson County to pay any specific amount. The availability for funds for specific purchases is subject to annual appropriation. It is estimated that the Public Works Department could expend approximately \$80000 over the course
