DEPARTMENT: Collection

TITLE: Authorizing transfer & executing addendum of Change Orders No. 01-04 to the contract with Manatron, Inc., dba Aumentum Technologies of Niagara Falls, NY, for the software & hosting improvements necessary post go live, at an additional cost to the County not to exceed \$33,416.00.

SUMMARY: Per Ordinance 5696, the County entered into an agreement with Manatron, Inc., dba Aumentum Technologies of Niagara Falls, NY per RFP 53-22 for implementation and hosting of upgraded tax software. There are four change orders required for post-go-live improvements to software and hosted environments that will greatly benefit the Collection department. There are sufficient funds of \$13,416 in 001-1405-56786 to be transferred for this one-time expense to 001-1406-56661. There are unencumbered funds of \$20,000 already in 001-1406-56661 for a total of \$33,416 to be encumbered from 001-1406-56661. We therefore request a Resolution authorizing approval and execution of these change orders, and further authorizing the Director of Finance and Purchasing to transfer \$13,416 and encumber funds to cover the total cost of \$33,416.
