

IN THE COUNTY LEGISLATURE OF JACKSON COUNTY, MISSOURI

A RESOLUTION authorizing the County Executive to execute an Agreement for Services with the Mid-America Local Emergency Planning Committee and the Mid-America Regional Council, at no cost to the County.

RESOLUTION NO. 19146, May 16, 2016

INTRODUCED BY Scott Burnett, County Legislator

WHEREAS, Jackson County, together with Cass, Clay, Platte, and Ray Counties, have cooperatively formed a local emergency planning committee (LEPC) under the provisions of the Emergency Planning and Community Right-to-Know Act of 1986; and,

WHEREAS, each county receives a grant from the Missouri Emergency Response Commission in accordance with Missouri's Emergency Planning and Community Right-to-Know Act (Sections 292.600 to 292.625, RSMo); and,

WHEREAS, these funds are paid directly by the State directly to LEPC, to be used for programs which support the LEPC's hazardous materials planning and training and related activities; and,

WHEREAS, each of the five counties, as a member of the LEPC, has entered into an agreement with the Mid-America Regional Council (MARC) approving the scope of work by MARC and the LEPC on its behalf; and,

WHEREAS, MARC is a public not-for-profit organization, formed in 1972 by area cities and counties, including the counties that have formed the LEPC, to address issues and problems of mutual concern; and,

WHEREAS, MARC can provide administrative and technical assistance to carry out the scope of work developed for the aforementioned grants; and,

WHEREAS, the attached Agreement for Services adequately sets out the rights and obligations of LEPC and MARC in this regard; now therefore,

BE IT RESOLVED by the County Legislature of Jackson County, Missouri, that the attached Agreement for Services with the Mid-America Local Emergency Planning Committee and the Mid-America Regional Council be and hereby is approved; and,

BE IT FURTHER RESOLVED that the County Executive be and hereby is authorized to execute the Agreement between Mid-America Local Emergency Planning Committee and the Mid-America Regional Council.

Effective Date: This Resolution shall be effective immediately upon its passage by a majority of the Legislature.

APPROVED AS TO FORM:

Chief Deputy County Counselor

County Counselor

Certificate of Passage

I hereby certify that the attached resolution, Resolution No. 19146 of May 16, 2016, was duly passed on May 23, 2016 by the Jackson County Legislature. The votes thereon were as follows:

AGREEMENT FOR SERVICES

by and between

JACKSON COUNTY,

the

MID-AMERICA LOCAL EMERGENCY PLANNING COMMITTEE

and the

MID-AMERICA REGIONAL COUNCIL

This Agreement, entered this 1st day of July, 2016, by and between Jackson County, the Mid-America Local Emergency Planning Committee, hereinafter referred to as the "LEPC" and the Mid-America Regional Council, hereinafter referred to as "MARC" for professional services.

WHEREAS, the following counties have cooperatively formed a local emergency planning committee under the provisions of the Emergency Planning and Community Right-to-Know Act of 1986:

The County of Cass, Missouri;

The County of Clay, Missouri;

The County of Jackson, Missouri;

The County of Platte, Missouri; and

The County of Ray, Missouri

WHEREAS, each county receives a grant from the Missouri Emergency Response Commission in accordance with Missouri's Emergency Planning and Community Right-to-Know Act (RsMO Sections 292.600 to 292.625); and

WHEREAS, these funds are to be used for programs which support the LEPC's hazardous materials planning, training and related activities; and

WHEREAS, MARC can provide administrative and technical assistance to carry out the scope of work developed for the aforementioned grant;

NOW THEREFORE, the parties to this Agreement agree as follows:

ARTICLE I

SCOPE OF SERVICES

MARC hereby agrees to fulfill the following scope of work in accordance with proposals submitted to the Missouri Emergency Response Commission and other state agencies with the oversight and assistance of the LEPC:

- A. Coordination and scheduling of monthly meetings and necessary subcommittee meetings, usually at the MARC offices, to discuss the LEPC's operation, activities, projects and issues which may affect the LEPC.
- B. Development and distribution of agendas for and summaries of the above meetings.
- C. Development and maintenance of a regional hazardous materials plan and assistance with the development of county hazardous materials plans or hazardous materials annexes to county emergency operations plans.
- D. Development of exercises to evaluate regional and local hazardous materials response capabilities.
- E. Sponsorship of hazardous materials and other training courses and coordination of hazardous materials training with the Missouri Emergency Response Commission, Missouri State Emergency Management Agency, Department of Public Safety, University of Missouri, and other entities offering hazardous materials training.
- F. Collection of Tier II forms and related information from facilities in each member county required to complete and submit these items and development of a database of chemical inventory and emergency contact information for these facilities.
- G. Operation and maintenance of an LEPC website.
- H. Development and management of a public education and awareness program.
- I. Completion of all reports and documentation necessary for the administration and operation of the LEPC.
- J. Coordination and integration of LEPC activities with those of other MARC emergency services committees and metropolitan area emergency services organizations.
- K. Other activities that are mutually agreed upon by the LEPC and MARC.

ARTICLE II

TIME OF PERFORMANCE

MARC shall provide the services described in Article I for the period commencing July 1, 2016 through June 30, 2017. The time and services of this Agreement may be extended or amended by Addendum hereto, containing the signatories of the parties and an identification of the extension period including any other amendments to the original Agreement.

ARTICLE III

CONSIDERATION

In consideration of the services provided by MARC and described in Article I, Jackson County and the LEPC authorize MARC to administer the FY 2016-2017 grant of approximately \$56,596.00 and any carryover funds from previous years as well as, any additional funds that may be competitively awarded from the Hazardous Materials Emergency Preparedness (HMEP) fund required to carry out the scope of work specified in this Agreement and as listed in Attachment 1, FY 2016-2017 LEPC Budget. It is the parties' understanding that the State of Missouri will provide the LEPC with approximately \$56,596.00 from the state's CEPF to be used as resources for the operation of the LEPC and its programs and activities, consistent with the terms and conditions placed on the counties by the Missouri Emergency Response Commission and as directed by the LEPC at their regular meetings. Any additional HMEP funds to be awarded to the Mid-America LEPC to support training activities will also be used according to the terms of this agreement. MARC agrees to provide detailed records of revenues and expenses associated with the performance of this Agreement. All expenditures will be consistent with CEPF and HMEP budgets approved by the LEPC.

ARTICLE IV

TERMINATION OR SUSPENSION OF AGREEMENT

This Agreement will terminate on June 30, 2017 unless extended by Addendum hereto as provided in Article II. However, if for any justifiable reason any party wishes to terminate this Agreement prior to the completion of the time of performance, this may be done by serving thirty (30) days notice upon the other parties. Payment for services shall be pro rata to the term of the Agreement and to the work effort completed.

ARTICLE V

EQUAL EMPLOYMENT OPPORTUNITY

Jackson County, the LEPC and MARC attest that they do not now, nor shall they discriminate against any employee who is employed in the work covered by this Agreement or against any applicant for such employment, due to race, color, religion, sex, age, handicap, or national origin.

IN WITNESS WHEREOF, the parties have executed this Agreement on the 1st day of July 2016.

LEPC/D 2016 Goals and Objectives

Based on the list of activities eligible for funding through CEPF (RsMO 292.606), describe the LEPC/D's goals and objectives with respect to the following: (See attached funding Guidelines)

Activity and Goal Description
<p>Activity: contingency planning for chemical releases</p> <p>Goal(s): maintain, review, strengthen and expand awareness of the plan</p> <p>Review the LEPC Hazardous materials plan and determine appropriate distribution; Research requirements and determine how to ensure the information about the availability of the LEPC plan is received by those who need it. Establish a systematic process for the review and processing for facility plans (spill contingency, hazardous waste disposal, etc.) received at the LEPC with the goal of ensuring the local fire department is aware of and has received the plan and that the facility is included in the plan if appropriate. • Conduct Outreach to RMP and EHS facilities in the metro area to raise aware of their responsibilities under EPCRA, the availability of the plan and invite participation in LEPC • Increase the LEPCs awareness of commercial trucking in the region, the risks that exist and the safety measure that are in place. Identify an SME to help inform the LEPC's planning.</p>
<p>Activity: exercising, evaluating, and distributing plans</p> <p>Goal(s): Evaluate the LEPC Plan and Regional Coordination Guide ESF10 – Oil and Hazardous Materials annex in response to a large, complex incident Conduct a table top exercise, followed by a full scale exercise, involving multiple hazmat teams and other agencies and disciplines in response to a complex CBRNE incident at a large venue, with a focus on communications, organization and unified command, site characterization, chemical identification, and use of specialized resources (e.g., Area RAES)</p>
<p>Activity: providing training related to chemical emergency preparedness and prevention of chemical accidents</p> <p>Goal(s): To provide training to appropriate agencies in the LEPC area so they can safely respond to a hazardous materials incidents based on their level of capability To ensure that the area hazmat teams increase/maintain their proficiency and are able to interoperate across jurisdictions</p> <p>• – Conduct quarterly hazmat technician refresher trainings • Host speakers on hazmat related topics • Identify training needs, available training and conduct training.</p>
<p>Activity: identifying facilities required to report</p> <p>Goal(s): Outline a process to be able to identify the facilities that should be reporting that are not within the LEPC area. Take steps (based on available resources) to increase the number of facilities that report. Coordinate with the effort at the State of Missouri.</p>
<p>Activity: processing the information submitted by facilities and making it available to the public</p> <p>Goal(s): information received at the LEPC is made available to the public and to fire departments as appropriate • Log tier two reports received at the LEPC, reconcile with those received at the state, maintain Tier two reports on file -Streamline Tier II receipt and reconciliation process for consistency in KS and MO • Ensure fire departments know how to access tier two reports</p>
<p>Activity: receiving and handling emergency notifications of chemical releases</p> <p>Goal(s): Ensure appropriate emergency response agencies receive required notifications of chemical releases</p> <p>Implement a new process for initial facility notification of a spill with the potential for offsite consequences to ensure appropriate situational awareness and assessment .Communicate with regulated facilities the need to provide written follow up to the LEPC. Establish a way to be notified by the fire department after an emergency notification has occurred.</p>
<p>Activity: operating a local emergency planning committee</p>

Goal(s): Sustain the LEPC as a mechanism for developing capacity to respond to hazardous material incidents and educating the public about chemical risks and protective actions

- **Maintain membership and contact information** • Meet regularly to maintain and build relationships between industry, emergency response agencies and other community partner to identify & manage expectations, identify resources and discuss hazmat related topics
- **Review LEPC business processes in light of lessons learned from West Texas**
- **Educate members on proposed regulatory changes resulting from EO 13650 and any impacts to LEPC operations**
- **Implement a modified meeting schedule to create time for subcommittees to meet to advance goals.**

Activity: providing public notice of chemical preparedness activities

Goal(s): Provide the public with open access to information about chemical hazards in the community.

- **Maintain the LEPC website to provide information to facilities and the public, annually advertise the availability of the plan and other information**
