1 ROLL CALL

Present 9 - DaRon McGee, Donna Peyton, Jalen Anderson, Megan L. Marshall, Manuel Abarca IV, Venessa Huskey, Charlie Franklin, Jeanie Lauer and Sean E. Smith

2 THE PLEDGE OF ALLEGIANCE

Recited.

3 APPROVAL OF THE JOURNAL OF THE PREVIOUS MEETING

A motion was made by Megan L. Marshall, seconded by Manuel Abarca IV to approve the journal of the previous meeting held on April 28, 2025. The motion passed by a voice vote.

4 HEARINGS

Resolution #21923, #21924 and #21925 were adopted at this time. See page 12 for details.

5 COMMUNICATIONS WITH AND REPORTS OF THE COUNTY EXECUTIVE

Frank White, Jr., County Executive, was not present.

Caleb Clifford, Chief of Staff, said there was no report.

Manuel Abarca IV, County Legislator, asked the whereabouts of the County Executive. Mr. Clifford said the County Executive was in his office in meetings. When asked what meetings are more important than the County Executive attending the Legislative meeting, Mr. Clifford had no details about his meetings.

Manuel Abarca IV asked about communications being distributed to the public with two different deadline dates regarding the Board of Equalization (BOE). Mr. Clifford said he knew the BOE wanted to engage non-responsive property owners, but he had no information why there were two dates, and he would be happy to look into it. Mr. Abarca said he would like to know the correct date as well as how many people had been dropped from the BOE list because of the process used.

Manuel Abarca IV asked about the communication standards, protocols and procedures used by the BOE to share information with the public. Mr. Clifford stated that the Jackson County Personnel Rules address the issue to an extent as well as the Jackson County Code in general. He said the Communications Department is the gatekeeper when it comes to external County communications. However, the BOE is a state agency and independent from the County. They could have communications outside of County regulations. Mr. Abarca clarified he was referring to the fact that many of the press releases issued by the County Executive's Office are issued late on Fridays, which doesn't appear to be the best time to communicate with the public. He asked to be made aware of any other protocols which may be in place for communications as well as referencing the information suggested by Mr. Clifford.

Manuel Abarca IV asked for an update regarding the World Cup. It is his understanding that the County Executive is the only person appointed to that board. Mr. Clifford said he believes there are no updates provided or shared by the board, but he believes there are discussions about having an update provided by the staff of the board to the Legislature. When times become available, Mr. Clifford said he will provide dates for consideration by the Legislature. Mr. Abarca asked if the County Executive plans to suggest an appropriation and will that be supplemental to the budget process? Mr. Clifford thinks that would be a part of the 2026 budget as there were no requests for funds in the 2025 budget.

Mr. Abarca referenced a letter regarding the Senior Tax Credits sent out by the County Executive's Office that stated he and he alone created the extension opportunity. He asked Mr. Clifford if he had any information he would like to share regarding that declaration. Mr. Clifford asked to see a copy of the letter to be able to address because he doesn't have it in front of him.

13 UNFINISHED BUSINESS

Discussion regarding Ordinances #5974, #5976 and #5977.

Caleb Clifford said the current Plan Commission members have been in place since July 2024. Manuel Abarca IV asked if they could be reappointed by the County Executive so they are not serving on expired terms. Mr. Clifford said the members agreed to hold over terms but not a full 4 year term.

Sean E. Smith said he has strong concerns regarding Ordinance #5975. Megan L. Marshall said that is the reason she did not include it in this discussion.

Sean E. Smith said if the County Executive would commit to reappointment of members of the Plan Commission who are serving on expired terms by the end of May then the County Legislature can proceed.

Mr. Clifford responded that he believes it could be done but would need to check with the County Executive.

The County Legislature agreed to perfect Ordinances #5974, #5976 and #5977 in anticipation of County Executive Orders to fill expired terms on the Plan Commission. Ordinances #5974, #5976 and #5977 were perfected at this time. See pages 4 and 5 for details.
