### IN THE COUNTY LEGISLATURE OF JACKSON COUNTY, MISSOURI

**A RESOLUTION** expressing the intent of the Legislature to direct the Chief Lobbyist to advocate to the Missouri General Assembly in opposition to House Bills 2367, 2470, and 2523.

**RESOLUTION NO. 21540**, February 19, 2024

**INTRODUCED BY** Manuel Abarca IV, County Legislator

WHEREAS, by Resolution 20841, dated December 13, 2021, the Legislature awarded an eleven-month contract with two twelve-month options to extend Fred Dreiling, LLC, of Kansas City (Jackson County) MO, to serve as the Legislature's Chief Lobbyist; and,

WHEREAS, in this capacity, the Chief Lobbyist's responsibilities include assessing the current political climate in the State of Missouri, recommending appropriate strategies that would benefit the County, informing the Legislature on all pertinent legislative issues, and providing lobbying service as requested; and,

WHEREAS we recognize that our nation was built on voluntary and forced immigrant labor and that today, diversity is the core of our nation's strength; and,

WHEREAS immigration policies based on white supremacy and discrimination have tarnished our

nation's history and continue to impede its growth; and,

WHEREAS the militarization of our immigration system is a disproportionate use of force against vulnerable populations; and,

WHEREAS, Jackson County is a welcoming County which is home to a large and vibrant immigrant community; and,

WHEREAS, Jackson County will take no part in the persecution of undocumented communities; and,

WHEREAS, the Legislature would like to express its opposition to House Bills 2367, 2470, and 2523, as these bills essentially criminalize being an undocumented person statewide on both public and private land; and,

WHEREAS, these House Bills would encourage the discrimination of our immigrant and undocumented communities in Jackson County; and,

WHEREAS, Jackson County Legislature opposes House Bills 2367, 2470 and 2523, as they would cause fear, harm and persecution that is fueled by xenophobia; now therefore; and,

BE IT RESOLVED by the County Legislature of Jackson County, Missouri, that the Legislature does hereby direct the Chief Lobbyist to advocate in opposition of HB 2367, 2470, and 2523.

## Intergovernmental Agreement between the MARC Solid Waste Management District and Unincorporated Jackson County, Missouri relating to the Regional Household Hazardous Waste Collection Program

This Agreement is entered into pursuant to Missouri Revised Statutes Section 70.210 *et seq.*

Whereas, Cass, Clay, Jackson, Platte, and Ray Counties and the City of Kansas City have formed the MARC Solid Waste Management District (SWMD) pursuant to Sections 260.300 through 260.345 of the Revised Statutes of Missouri (1986 & Cum. Supp. 1990) and the members of the SWMD include most cities within the member counties; and

Whereas the City of Kansas City, Missouri (Kansas City) operates a permanent Household Hazardous Waste facility located at 4707 Deramus, Kansas City, Missouri, and operates outreach sites for collection of Household Hazardous Waste (HHW) at various locations and on various dates; and

Whereas, the City of Lee's Summit, Missouri operates a permanent Household Hazardous Waste Facility located at 2101 SE Hamblen Road, Lee's Summit; and

Whereas, Kansas City and Lee's Summit have made these HHW collection facilities available for use by members of the SWMD and the SWMD, Kansas City and Lee's Summit have agreed to create a regional household hazardous waste program for the benefit of all members of the SWMD; and

Whereas Unincorporated Jackson County, Missouri (sometimes referred to in this Agreement as the "Participating Member") intends to participate in the Regional HHW Collection Program;

Therefore, the SWMD and the Participating Member agree that participation in the Regional HHW Collection Program shall be on the following terms and conditions:

### I *Definitions*

Household Hazardous Waste (HHW) shall mean waste that would be classified as hazardous waste by 40 CFR 261.20 through 261.35 but that is exempt under 40 CFR 261.4 (b) (1) (made applicable in Missouri by 10 CSR 25-4.261) because it is generated by households. Examples include paint products, household cleaners, automotive fluids, pesticides, batteries, and similar materials. A determination of whether any material meets this definition shall be made by Kansas City.

### II *Effective Date*

**Unincorporated Jackson County, Missouri** agrees to participate in the Regional HHW Collection Program for a one-year period beginning on **January 1, 2024**.

### III *Termination*

*A. Budget Limitations.* This Agreement and all obligations of the Participating Member and the SWMD arising therefrom shall be subject to any limitation imposed by budget law. The parties represent that they have within their respective budgets sufficient funds to discharge the obligations and duties assumed and sufficient funds for the purpose of maintaining this Agreement. This Agreement shall be deemed to terminate by operation of law on the date of expiration of funding.

*B. Termination of regional program.* If the regional household hazardous waste program is terminated prior to the expiration of this Agreement, the SWMD shall refund the amount paid by the participating member, less the cost of services provided prior to termination of the regional program. The cost of services shall be assessed at seventy-five dollars (\$75.00) for each vehicle belonging to a resident of the participating member that has been served prior to the termination of the program, not to exceed the amount paid by the participating member.

C. Each participating member will be required to notify the SWMD, Kansas City and Lee's Summit in writing of its intention to renew the annual agreement for the following year no later than December 15. In the event that notification is not provided in advance or the final decision is made to not rejoin the program for the upcoming year, the participating member is responsible for any costs incurred by Kansas City and/or Lee's Summit to serve residents after December 31. Kansas City and SWMD reserve the right to invoice the member city or county for any waste disposal costs incurred as a result of late notification.

#### IV *Duties of Participating Member*

- A. *Fees.* **Unincorporated Jackson County, Missouri** agrees to pay the sum of **\$26,794.56** to participate in the 2024 Regional HHW Collection Program for the period from January 1 to December 31. The program participation fee is based on a per capita rate of \$1.13 applied to 2022 Population Estimate figures as shown in Attachment One. At least one-half of this amount shall be paid within thirty (30) days upon receiving the district invoice. Payment of any remaining balance shall be paid within the following six months.
- B. *Payment.* The Participating Member shall be obligated for payment of the amount shown in Paragraph IV(A) irrespective of the participation of its citizens, or of any actual expenses incurred by the SWMD, Kansas City, or Lee's Summit attributable to the Participating Member, except in the event of termination of the regional program, as reflected in III(B) above. Payment by the Participating Member of the agreed upon amount shall not be contingent upon renewal of this Agreement or renewal of the Agreement between the SWMD and Kansas City or Lee's Summit.

*Annual Renewal.* The agreement between the SWMD and the Participating Member will be subject to renewal each year. To assure community information is included in the printed promotional material, agreements will be due no later than February 1, 2024. No pro ration of fees is applicable under this agreement.

- C. *Contact Person.* The Participating Member agrees to notify the SWMD and Kansas City, on or before the date of this Agreement, of the name of an individual who will serve as its contact person with respect to the Regional HHW Collection Program.

#### V *Services Provided by the SWMD*

A. *Permanent Collection Facilities.* HHW collection services shall be provided by Kansas City and Lee's Summit pursuant to agreements entered into between the SWMD and Kansas City, and the SWMD and Lee's Summit. Pursuant to those agreements, residents of the Participating Member may deliver HHW, by appointment, if required, and during normal hours of operation, to the Kansas City permanent HHW facility and to the Lee's Summit permanent HHW facility.

B. *Outreach Collections.* Pursuant to the agreement between the SWMD and Kansas City, Kansas City has also agreed to provide contractor services for the collection of HHW at outreach collection sites throughout the SWMD area. Residents of the Participating Member will be able to deliver HHW to outreach collection sites, the dates and locations of which will be negotiated by the SWMD and Kansas City. If, at the request of a Participating Member, an outreach collection is held within its boundaries, the Participating Member agrees that Kansas City or the contractor shall have overall control of the collection activities but the Participating Member shall provide the following:

- adequate and safe sites with unobstructed public access;
- access to restroom facilities and drinking water
- adequate publicity of the date and location of the mobile collection;
- a means for the collection, removal and disposal of any wastes that do not meet the definition of hazardous waste;
- volunteers or workers to conduct traffic control, survey participating residents, stack latex paint and automotive batteries, and assist with non-hazardous waste removal and bulking of motor oil;

- means of limiting the vehicles to a number negotiated by Kansas City and the SWMD (estimated to be either 200, 300, or 400 vehicles per outreach collection);
- a forklift and forklift operator available at the opening and closing of the event; and
- access to residents of any city or county that is also a participating member.

VI *Reports*

The SWMD will provide to the Participating Member quarterly reports on the operations of the Kansas City and Lee's Summit permanent facilities and on the operations of the outreach collections, based on information provided to the SWMD by Kansas City and Lee's Summit. The quarterly reports shall include the following information:

- Total number vehicles using each facility (permanent or mobile) on a quarterly basis;
- Number of vehicles from each participating member using the facility;
- An end-of-the-year summary report including waste composition and disposition.
- Each program year the district will provide brochures which include facility hours of operation, mobile event schedule, and contact information

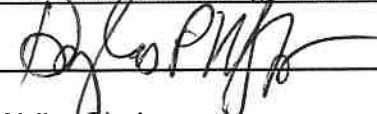

VII *Insurance*

A. *Insurance.* The SWMD agrees that, pursuant to the terms of its Agreement with Kansas City, Kansas City shall maintain liability insurance related to the outreach collection sites under which the community where the site is located shall be named as an additional insured.

VIII *Legal Jurisdiction*

Nothing in this Agreement shall be construed as either limiting or extending the legal jurisdiction of the parties.
