TITLE: Stoenner Road Bridge Replacement

SUMMARY: Awarding the Stoenner Road Bridge Replacement contract, JCPW 3247, Federal Project No. BRO-B048 (59) to Dondlinger & Sons Construction Company, Inc. (Wichita, KS) under the terms and conditions of the Invitation to Bid No. 24-068. The County entered into an agreement with MoDOT to fund the construction of bridge improvements on Stoenner Road in the Off System Bridge Program (BRO). This program provides 80% funding on eligible costs for the project. The Local Entity is responsible for the 20% match. MoDOT has approved using our soft match credit for the match, which results in 100% federal funding for the construction of this bridge.

The County entered into an agreement with OWN, Inc. (formerly Anderson Engineering) (Ord. 5553) to prepare the Project Manual and Contract Documents. The work on the Stoenner Road Bridge Replacement contract includes the removal of an existing double-cell concrete culvert and the

construction of a new single span prestressed concrete NU girder bridge, minor reshaping of the roadway shoulders, placement of a rock blanket under the bridge, relocation of the water main, and all other incidental work.

Advertisements were posted by MoDOT on their RFP website, by the Purchasing Division of the Finance Department on the County’s website, and on the “Bonfire” website. Construction documents were viewed by thirteen (13) possible bidders. Two (2) bids were submitted on October 8, 2024 at 2:00 PM. The summary of the bids are as follows:

<u>Bidder Name</u>	<u>City and State</u>	<u>Bid Submitted</u>

Pursuant to Section 1054.6 of the Jackson County Code, Chapter 10 Purchasing, the Director of Public Works and the Director of Finance and Purchasing recommend that the contract be awarded to Dondlinger & Sons Construction Company, Inc. (Wichita, KS), being the lowest and best bidder.
