Date Program was Initiated: 2010

What time period does this program run: All Year

Provide program description: Newhouse is seeking funding to support costs associated with safe bednights and survivor-centric, evidence-based healing services for victims escaping domestic violence. Our ecosystem of services provides tools for self-sustainable living. Clients receive violence prevention education, mental health therapy, and safety planning to prevent danger as our emergency shelter meets their daily needs with fresh food, laundry facilities, clean linen, childcare, life skills classes, and individualized housing assistance. All services are provided at no cost to the survivors.

Describe the benefits of this program to Jackson County Missouri: Each year, at least 89% of clients who receive safe bednights and healing services are from Jackson County. Studies indicate metro DV shelter lessens strain on community resources: emergency rooms, police departments, therapeutic services, and employers. For every \$1.00 invested in shelters returns \$16.00 savings to the community. You are not safe until your neighbor is safe. Thus, providing shelter and healing services to survivors, with specific target of breaking the cycle of domestic violence in their lives, directly benefits the community as a whole.

Describe target population to be served: This grant will serve domestic violence victims of all ages from Jackson County. Over past 24 months, 327 adults & children from Jackson County called Newhouse home. Of those, 98% at or below poverty level; 75% unemployed upon arrival; 24% not a high school graduate, 2% non-English speakers, & 47% with mental, physical or developmental disability. On average, each household consists of one single female with 2 children, average age of 6. And clients reflect diversity: 31% Black, 7% Hispanic, 37% White, and 10% Multi Racial. Over past 24 months, Hotline received over 12,400 calls seeking help.

What are the qualifications for participants: Newhouse services are accessible to all who victims of DV who call the hotline or referred to us. We abide by the HUD and federal definition of "domestic violence victims" as those who are "fleeing, or attempting to flee, a violent situation." There are no other additional barriers nor requirements to access our services or shelter. And our shelter beds are occupied by those who have become homeless due to the violence and considering the unsafe streets or return to the violent home, which often escalates. Our shelter literally saves lives. DV does not discriminate and neither do we.

How do you maintain a database of participants: APRICOT

Number of participants from Jackson County: 4960

Number of participants from Other Areas: 1240

Total Number of participants: 6200

Identify the community need for your organization's program and services in Jackson County.

KC Star headlines mentioned "domestic violence" on average of 4.9/day; or 1,789+ in past 12 months alone. There is a direct correlation between the DV rate and the homicide rate. Our homicide rate quickly outpaces the previous year as 19 states have fewer homicides than Kansas City alone (KC Magazine 2021). The single largest cause of homicides per KCPD was an argument (2021). Though KC has 5 domestic violence shelters, our combined Hotlines turned away over 12k+ requests for services due to limited capacity. Our facility is adding 40 new beds this fall to help bridge this gap in services.
