Introduction
Action Items: ['Authorize']
Project/Title:
Establishing new monthly sewer rates of \$105 a month for the users of the Carriage Oaks wastewater treatment plant and \$70 per household per month for the Trophy Estates subdivision to meet current regulatory and operating requirements effective February 1, 2022.

Request Summary
The County has not adjusted monthly sewer rates for the sewer treatment plants that it operates on behalf of residents of the Carriage Oaks Neighborhood Association and the Trophy Estates subdivision in unincorporated Jackson County. These aging wastewater treatment plants are in need of equipment repairs and are incurring additional operating expenses to meet current regulatory standards of the Missouri Department of Natural Resources. County staff have had several conversations with representatives of the neighborhoods and have reached general consensus on a rate for 2022. Current rates are \$42 per month increasing to \$105 per month for Carriage Oaks. Current rates are \$23 per month increasing to \$70 per month for residents of Trophy Estates. County staff will continue to meet with residents as long-term operating plans and budgets are developed or alternative service providers identified.
