EXHIBIT A
Night Light Program Description

The Night Light Program (NLP) is a collaborative effort between the Jackson County Family Court and local law enforcement agencies, and is designed to address serious and potentially violent juvenile offenders who are either under pre-adjudication supervision, on probation, or re-entering the community from residential placements. The Night Light Program serves primarily as a probation/re-entry service provider of supervision and coordinated services, and is utilized as a graduate sanction to assist primary Juvenile Probation Officers in maintaining or stabilizing youth in the community.

The goals of the Night Light Program are to hold youth accountable for their actions, reduce delinquent behavior, and encourage sound social decision-making behavior. Each NLP Juvenile Probation Officer teams with at least one uniformed Deputy Sheriff two nights per week. Monday through Thursday these teams are in the community from 9:00 pm until 1:00 am. On Friday and Saturday these teams are in the community from 10:00pm until 1:00am. During these timeframes the teams make home visits to pre and post adjudicated youth under supervision of the Court who have been assessed to be failure to appear to next court hearing, high risk to re-offend or have their probation revoked. The Night Light Program also provides ancillary support to our residential programs by making curfew checks to youth on weekend home passes.

During the residence visit, the NLP Juvenile Probation Officer determines whether or not the youth is complying with the terms of their supervision.
