What time period does this program run: All Year

Provide program description: NorthWest Communities Development Corporation (NWCDC) goal is to improve the lives in the area, NWCDC does this with the operation of The Fairmount Community Center, Home Repair Program and outreach programs. This center operates Monday through Friday from 8 a.m. to 5 p.m. The center has exercise equipment, meetings rooms, activity rooms, free-lending library, community garden, a commercial kitchen and a 20 passenger bus. The outreach programs are providing meals for meals on wheels and job one, plus youth enrichment programs. The center has daytime activities geared to enrich the lives of older adults and youth. These programs include exercise activities, health screening, nutrition classes, games, social events, music entertainment, trips and outings. For the youth, programs help social development, obtain nutritious meals, learn cooking skills, and help further their education. The bus transports individuals from their residences and 6 low-income senior housing to and from the center. 200 lunches are served daily. Menus follow the Missouri Department of Health and Senior Nutrition guideline. Independence Meals-on-Wheels meals, JobOne (work employment for the developmentally disabled) lunches and during the summer, Kid's Café lunches are prepared at this site. Starting in October Afternoon Kid's Café will be starting. Any school age youth will receive free evening meal at the center Monday through Friday. The lower level of the Fairmount Community Center is the location of Tabitha's Closet. This is where parents of students in need in the Independence School District and Fort Osage School District receive appropriate school clothing for their children. Each child receives 6 tops, 3 pairs of pants, jacket, winter coat, pajamas, hat, scarf, gloves, new underwear, new socks and new tennis shoes. To maintain dignity, Tabitha's Closet is set up like a store, with parent and child able to choose items that appeal to them. Participating families are allowed to come once each semester. Families make appointments to "shop" through the social workers at each school. Approximately 2500 children receive clothing each school year. This past summer, with funding through Combat, we were able to include extra summer children's programs and outings.

Describe the benefits of this program to Jackson County Missouri: The Community Center offers many programs to help individuals in the Jackson County area. • Seniors have extended quality of life. This is done by helping them to be socially engage, involved in their community, receive proper nutrition, and be mentally and physically active. Seniors can remain living in their homes, maintain good health, and less dependent of others. • Students supported through Tabitha's Closet have appropriate clothing so they can focus on learning. Proper clothing allows students to participate in physical education class, better prepare for variety of weather elements, and not face social stigma of improper and inadequate clothing. Youth through programs have learn social skills, access to computers for homework, and learn life-long cooking skills. • Meals provided at the center, Independence Meals on Wheels, JobOne and Kid's Café allows individuals to receive balanced nutrition to maintain good health. Proper nutrition promotes healthy heart, better bones, physical energy, mentally alertness and weight control. The lunches are for many their only exposure to proper nutrition. Meals on Wheels is independent from federal funding. All meals are prepared daily at the center so Seniors receive a hot meal each week day and receive personal touch from our staff and volunteers. • The handicapped accessible bus allows individuals to leave their homes no matter their limitations. They are able to make go to the grocery stores on their own, participate in programs and go on outings. The bus picks up individuals from 6 different low income senior housing facilities and individual residents. Bus service is daily. Individuals depend on our bus service because they are wheel-chair bound.

Describe target population to be served: The Fairmount Community Center is located in North West Independence. This area has the lowest income in Independence and the same characteristics of inner-city Kansas City. The neighborhood school had switched to Independence School District from Kansas City. Eighty-five percent of the students attending the nearby elementary schools and high school qualify for free and reduce lunch. We are targeting these youth to establish a place to engage, learn, and connect with the community. We, as always, work with a variety of older population who need social engagement, mind stimulation, physical activities to help them remain independent and to continue to live in their homes. The majority of the Seniors who come to our center live on less than \$20,000 annual income. NWCDC through a grant from HealthCare Foundation, is in the process of a strategic plan so we will know what individuals will want and how we can serve them. This year long strategic plan is done through an outside contract.

What are the qualifications for participants: The NorthWest Communities Development Corporation is dedicated to improve the lives in our community in Jackson County. Although we are located in NorthWest Independence there is no restriction on location of whom we serve. Transportation is available to our center if they live within 10 miles radius. We strive to provide a variety of programs to meet the needs of the population.
