Office of the JACKSON COUNTY SHERIFF

Sheriff Darryl Forté

County Executive Frank White, Jr.
Jackson County, Missouri
415 12th Street
Kansas City, MO 64106

March 30, 2022

Dear County Executive Frank White, Jr.,

Over the past several years, the Jackson County Sheriff's Office has received several donations of military style vehicles from the LESO (Law Enforcement Support Office) program. These vehicles were provided to the Sheriff's Office for usage as the Sheriff's Office saw fit, but they are no longer being used as originally intended. Further, several of these vehicles are no longer in running condition, and the cost to repair them is extensive. The Sheriff's Office is under no contract to keep the items as LESO does not consider the vehicles property of Jackson County. Neither are they to be returned to the LESO program.

The Clinton County Sheriff's Office has now expressed interest in these vehicles and would like to take possession as soon as possible. The vehicles referenced are: one (1) five-ton truck, one (1) five ton "wrecker", two (2) bridge building boats, one (1) HMMWV utility truck, and two (2) utility trailers. In addition, Jackson County purchased two (2) boat trailers. Deputy Cheney has confirmed with LESO staff the Clinton County Sheriff's Office can take direct possession of the LESO items when we relinquish them. In addition, we are working with Ms. Katelyn Edgar in Purchasing to request legislative approval to surplus the boat trailers, which is not anticipated until mid to late January. Therefore, I would like to allow Clinton County to take immediate possession of all the above listed items, with the exception of the boats and trailers. Then, upon surplus approval of the trailers, Clinton County can take possession of them.

The Clinton County Commissioners have contacted Deputy J. Cheney as he currently handles the LESO vehicles. They have requested written confirmation the vehicles do not belong to Jackson County and Jackson County has no concerns with Clinton County taking them.

County Executive White, it is my request that a letter be provided with your signature assuring the Clinton County Commissioners that Jackson County has no interest in these vehicles, and they may be transferred to Clinton County, MO.

Thank you for your assistance in the matter.

Sincerely,

Sheriff Darryl Forté

Dear Ms. Edgar,

Over the past several years, the Jackson County Sheriff's Office has purchased numerous ballistic vests for our members' daily wear. The vests are all given an expiration date by the manufacturer, and upon expiration, they have been shredded, to prevent them from being used in illegal activity.

Recently, a former Kansas City Police Officer, who now works for Freedom Shield Foundation (FSF), reached out to Major Fletcher and requested any and all of our ballistic vests that, although expired according to the manufacturer, still may have some ballistic use to them. According to Mr. Scott Braddock, their Controller, Freedom Shield Foundation is a 501c3 organization primarily made up of former Navy Seals and law enforcement officers, who will pay for our expired vests to be shipped from the Jackson County, MO Sheriff's Office to the Ukraine military. In addition, Mr. Braddock advised he will provide shipping receipts, photos, and videos to verify the vests made it to Ukraine.

Attached is a Surplus/Transfer Declaration Form in which the vests intended to be transferred are listed. Please accept this as verification the Sheriff's Office would like these transfers and are requesting them at your earliest convenience to assist the Ukraine military in their efforts.

Thank you for your assistance in the matter.

Sincerely,

Captain Ronda Montgomery

Dear Applicant:

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC Section listed at the top of this letter.

If we indicated at the top of this letter that you're required to file Form 990/990-EZ/990-N, our records show you're required to file an annual information return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N, the e-Postcard). If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov/charities. Enter "4221-PC" in the search bar to view Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, which describes your recordkeeping, reporting, and disclosure requirements.

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 84-3632862. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

When filing tax documents, payments, and related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear-off stub and return it to us.

When you submitted your application for an EIN, you checked the box indicating you are a non-profit organization. Assigning an EIN does not grant tax-exempt status to non-profit organizations. Publication 557, Tax-Exempt Status for Your Organization, has details on the application process, as well as information on returns you may need to file. To apply for recognition of tax-exempt status under Internal Revenue Code Section 501(c)(3), organizations must complete a Form 1023-series application for recognition. All other entities should file Form 1024 if they want to request recognition under Section 501(a).

Nearly all organizations claiming tax-exempt status must file a Form 990-series annual information return (Form 990, 990-EZ, or 990-PF) or notice (Form 990-N) beginning with the year they legally form, even if they have not yet applied for or received recognition of tax-exempt status.

Unless a filing exception applies to you (search www.irs.gov for Annual Exempt Organization Return: Who Must File), you will lose your tax-exempt status if you fail to file a required return or notice for three consecutive years. We start calculating this three-year period from the tax year we assigned the EIN to you. If that first tax year isn't a full twelve months, you're still responsible for submitting a return for that year. If you didn't legally form in the same tax year in which you obtained your EIN, contact us at the phone number or address listed at the top of this letter.

Sincerely,

Stephen A. Martin
