The Sentenced to the Arts Program (STTAP) is for adjudicated youth, involving themselves in an arts therapeutic program and community service. This program has received widespread national and local attention. STTAP is funded through a federal grant and Jackson County.

The Internship Program offers Jackson County at-risk youth the opportunity to work with individual artists or artistic organizations as paid interns. The youth have the opportunity to produce, display and profit from their work, and in the process learn the entrepreneurial knowledge required to succeed in the art and entertainment business world.

MyARTS is an art entrepreneurial program for at risk teens throughout Jackson County. This program is modeled after a program in Boston; Artists for Humanity, which has proven to be an established successful venue. The MyARTS program connects Metropolitan teens in small groups with professional urban artist/designers and young artist mentors to design, create, and sell art products.
