Verbal recognition during program

Spotlight in video (up to 30 seconds) aired during program and posted on **ULKC** social media

- Theme: Democracy Under Siege: Radical Resistance Required
- Honoring: **Bridgette Williams**, Executive Director and CEO of the Heavy Constructors Association, and **Rev. Al Sharpton**, internationally- renowned civil rights leader and Founder and President of the National Action Network (NAN).
- This in-depth discussion, featuring Rev. Al Sharpton will explore the urgent threats facing our democracy and the responsibility of courageous, people-centered leadership to confront systemic injustice, restore public trust, and advance equity in communities nationwide. Drawing on his lived experiences and national leadership, Rev. Sharpton will share insights on governing with integrity, centering community voices, and resisting policies that undermine democratic values and human dignity.
- Event sponsors will receive recognition as key supporters of the Urban League's mission to *enable African Americans and other disadvantaged populations to secure economic self-reliance, parity, power, and civil rights.*
