The health department continues to offer weekly COVID-19 testing and vaccination — jacohd.org/events. Metro vaccine sites are available at vaccinatekc.org. [Click here](#) to view the KCMO COVID-19 Dashboard for more vaccination and case rate information.

Response Notes

The health department is now offering the **bivalent (updated) COVID-19 boosters** to those ages 12+ at our clinic. These updated vaccines are tailored to fight the BA.4 and BA.5 omicron variants, which make up almost all new cases in the US. [Click here](#) to learn more!

This week we had **372 new cases**. The 7-day case rate **increased** from **91.34** (week of 11/20) to **128.90** (week of 11/27).

The Health Department is actively distributing free rapid tests and masks to community members and partners. Residents can visit <https://jacohd.org/masks/#section> or call (816) 404-6416 to find the nearest location where these resources are available.

*Up-to-date vaccination: the percent of the EJC population aged 5+ that has received a bivalent booster. EJC vaccination records are current as of 10/31. Per CDC totals for all of Jackson County, **12.7%** of the 5+ population has received the **bivalent booster**.
