The last quarter's report shall include an annual report which shall summarize all of Organization's activities pursuant to this Agreement.

Organization's failure to submit this annual report shall disqualify Organization from future funding by the County. Organization must submit quarterly reconciliation reports in the format specified by the County before the next quarterly payment will be processed. Any quarterly reports that are incomplete or incorrect will delay payment.

- b. Organization funding that will affect the program under this contract
- c. Liability insurance coverage
- d. Management or staff responsible for providing services pursuant to this contract

If Organization has previously received funding from the County, to be eligible for future payments, Organization must submit either an audited financial statement for Organization's most-recent fiscal or calendar year, or a certified public accountant's program audit of the County's funds. Any documents described herein which were submitted to the Department of Finance and

Purchasing as a part of an application for funding need not be resubmitted to qualify for payment. No payment shall be made if Organization is out of compliance on any other County contract, or has not paid county taxes on all properties owned by Organization and assessed by the County.

5. **Equal Opportunity**. Organization shall maintain policies of employment as follows:

A. Organization and Organization's subcontractor(s) shall not discriminate against any employee or applicant for employment because of race, religion, color, sex, age, disability, or national origin. Organization shall take affirmative action as set forth to ensure that applicants for employment and employees are treated without regard to their race, religion, color, sex, age, disability, or national origin. Such action shall include, but not be limited, to the following: recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Organization agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the policies of non-discrimination.

B. Organization and Organization's subcontractor(s) shall, in all solicitation or advertisements for employees placed by them or on their behalf, state that all qualified applicants will receive consideration for employment without regard to race, religion, color, sex, age, disability, or national origin.

6. **Employment Of Unauthorized Aliens Prohibited**. Pursuant to §285.530.1, RSMo, Organization assures that it does not knowingly employ, hire for employment, or continue to employ an unauthorized alien to perform work within the State of Missouri

and/or Jackson County, and shall affirm, by sworn affidavit and provision of documentation, its enrollment and participation in a federal work authorization program with respect to the employees working in connection with the contracted services. Further, Organization shall sign an affidavit, attached hereto and incorporated herein as Exhibit B, affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services.

7. **Audit.** The parties agree that the County may, for any reason and at any given time, examine and audit the books and records of Organization pertaining to this Agreement. Further, Organization agrees to establish and adopt such accounting standards and forms as recommended by the County prior to receipt of the County's first distribution of funds under the terms of this Agreement. The forms used to document expenditure of these funds may be changed from time to time by the County.

8. **Default.** If Organization shall default in the performance or observation of any covenant, term or condition herein contained to be performed by Organization, the County shall give Organization ten days written notice, setting forth the default. If said default shall continue and not be corrected by Organization within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Organization. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

9. **Appropriation Of Funds.** Organization and the County recognize that the County intends to satisfy its financial obligation to Organization hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. In the

event no funds or insufficient funds are appropriated and budgeted, or are otherwise unavailable by any means whatsoever for payment due hereunder, County shall immediately notify Organization of this occurrence and this Agreement shall terminate on the last day for which appropriations were received, without penalty or expense to the County of any kind whatsoever, except as to the portions of the payment amounts herein agreed upon for which funds shall have been appropriated and budgeted or are otherwise available, or at any time after the last date that County has paid for the Services, if earlier.

County further agrees:

A. That any funds authorized or appropriated for services rendered under this Agreement shall be applied to the payments hereunder until all such funds are exhausted.

B. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual budget, a request for adequate funds to meet its obligation under this Agreement in full.

10. **Conflict Of Interest**. Organization warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

11. **Severability**. If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other

covenant or provision unless so expressed herein.

12. **Indemnification.** Organization shall indemnify, defend and hold the County harmless from any and all claims, liabilities, damages, and costs (including reasonable attorney's fees directly related thereto) including but not limited to violation of civil rights and/or bodily injury to or death of any person and for damage to or destruction of property if and to the extent caused by the negligence, willful misconduct or omissions of Organization during the performance of this Agreement.

C. Organization agrees to provide the County with certificates of insurance evidencing the above described coverage prior to the start of Services, and annually thereafter, if required by the County. Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum

of thirty days advance notice to the County in the event of cancellation, non-renewal, or reduction in limits by endorsement.

14. **Term.** The term of this Agreement shall commence January 1, 2018, and shall continue until December 31, 2018, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified by the County's audit.

15. **Termination.** This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. Termination of this Agreement shall not constitute a waiver of the rights or obligations which the County or Organization may be entitled to receive as provided in this Agreement, or be obligated to perform under this Agreement for services prior to the date of termination. Should this Agreement terminate, all County written materials of any kind must be delivered and returned by Organization to the County within ten (10) days of the termination of this Agreement.

16. **Standard of Care.** Organization shall exercise the same degree of care, skill, and diligence in the performance of the Services as is ordinarily possessed and exercised by professionals operating under similar circumstances.

**Provide program description: HISTORY & RATIONALE** In 2000, Ivanhoe's residents voiced the value of increasing homeownership and economic development as a means of stabilizing the neighborhood and decreasing crime. They were instrumental in developing a Strategic Plan with four committees that inform and direct the focus of the Ivanhoe Neighborhood Council (INC). Through these committees - Beautification; Crime & Safety; Housing, Economic Development and Jobs; and Youth, Family Life & Education - residents address both the challenges and opportunities in the neighborhood. They provide a platform for the residents to develop solutions that prevent and decrease the impacts of crime, become neighborhood leaders, advocates for investment and determine the neighborhood's revitalization progress. Housing is a major component in the revitalization process. Studies have shown that safe, decent and affordable housing has a transformative effect on both families and neighborhoods. Residents have been involved in INC's housing initiatives through all iterations starting with the 2006 Model Blocks Housing Initiative (renamed the Ivanhoe Gateway at 39th). Initially a six-square block area in the 39th Street Corridor was identified as the targeted revitalization area. Recently expanded, the Ivanhoe Gateway project boundaries now run six blocks from west to east (Euclid Ave to Prospect Street) and five blocks from north to south (37th Street to 41st Street). The current housing projects (construction to start mid-October 2017) are located at 39th Street between Euclid and Garfield, with future 39th commercial development and other housing projects throughout the area. The successful construction and occupancy of twelve senior cottages and three duplexes during 2016 in the Gateway area has generated visible excitement, and residents are encouraged about our long-term goals. We have seen an upswing in resident participation at our committee meetings and an increased willingness to mobilize at the block level. We have attracted strong external support from a wide cross-section of civic and corporate stakeholders, including the City of Kansas City, LISC, Urban Neighborhood Initiative (UNI), the KC-CUR partnership and local foundations. INC has also cultivated private interest. We have several investors who are active on our Housing Committee as well as with purchasing, rehabbing and selling vacant homes in the blocks close to our Gateway area. While INC's new housing initiative is well-established and growing, we can't do it alone. Outside private investment in the construction of new housing is also necessary to realize comprehensive neighborhood revitalization. With over 500 vacant lots and 300 vacant houses, the opportunity for private investment in Ivanhoe is ripe. The few private investors who have active projects in Ivanhoe have stated their desire and willingness to build new mixed-income single and multi-family homes given an environment that will support their efforts. Safety and reduced crime are key elements to creating such an environment that is attractive for current residents, private investors, potential homeowners and commercial businesses. NEXT STEPS INC's Gateway Safety Initiative - Block Contact Program promotes implementing a safety plan in the Gateway area that is resident developed, sustainable and replicable. It builds on Ivanhoe's Block Contact program that has waned over the past several years due to aging out. Many of Ivanhoe's original Block Contacts are now senior citizens with many of them 70+ years. The Initiative's strategies focus on strengthening resident perceptions and engagement, creating new or stronger alliances with other community groups in the target area, creating an attractive commercial district for prospective businesses and building upon Ivanhoe's extensive relationship with the Kansas City Police Department. It will also focus on increasing the collective efficacy for both residents and businesses in the Gateway area, catalyzing other projects across the entire neighborhood and implementing Crime Prevention Through Environmental Design (CPTED) elements. These four CPTED elements - natural surveillance, natural access control, territorial reinforcement and maintenance help create the proper designs and effective use of the built environment, which can lead to a reduction in the incidence and fear of crime, and an improvement in the quality of life. The implementation strategy of our work plan, which will evolve over time, includes the following activities: - Conducting outreach to residents, businesses and community groups to engage in safety education, advocacy activities, and involvement on INC's Crime & Safety Committee - Implementing research-based and evidence-based safety/crime prevention strategies - Engaging youth at neighborhood schools in a Safety/Crime Prevention Campaign - Recruiting and training new Block Contacts - Providing 'Train the Trainor' opportunities - Conducting a safety/crime assessment of 39th Street businesses in the Gateway area - Evaluating the underlying conditions of nearby "hotspots" - Identifying structural and behavioral safety improvements, associated costs and possible funding sources Ivanhoe has recently received a 2-year \$50,000 safety grant (\$25,000 each year) from LISC that will commence October 1, 2017. We were 1 of only 4 national recipients for the highly competitive funding. Our proposal calls for hiring a two-person consultant team to help build staff capacity in outreach, engagement and assessment activities. We anticipate that it will take two years to fully engage residents, identify and train committed Block Contacts, implement CPTED elements, induce lasting behavioral changes and eliminate crime hotspots.

**Describe the benefits of this program to Jackson County Missouri:** As revitalization in Ivanhoe continues to progress, the benefits to Jackson County are numerous including an increase in property values and residents, a decrease in concentration of poverty and a growing interest in catalyzing revitalization in other neighborhoods in the urban core. The Duplexes built in the Gateway area are a prime example that people of all incomes are interested in moving back into the City and willing to purchase homes in a neighborhood undergoing revitalization. INC received several applications from individuals/families that exceeded the income guidelines for our affordable housing units. To address this demand and to avoid concentrating poverty in our own development initiatives, we are designating a

certain percentage of market units in all future development projects. Our mixed-income strategy will help diversify and raise the average median income (AMI) in our neighborhood.

**Describe target population to be served:** Ivanhoe is a prime example of a socio-economic community of color directly impacted by social determinants of health—crime, health and safety issues, poor and unsafe housing, and limited employment opportunities, which are visibly present. Ivanhoe’s programs annually serve over 1,000 neighborhood residents of all ages as well as offering services to those who reside within neighboring communities. Ivanhoe is a low wealth community with a median annual family income of \$22,748 and 37.1% of the population who live below poverty. Family households represent over 50% of the community, with 74% of them as single-parent headed households. Approximately 33% of residents do not have a personal vehicle and must rely on public transportation. ([www.city-data.com/neighborhood/Ivanhoe-Kansas-City-MO.html](http://www.city-data.com/neighborhood/Ivanhoe-Kansas-City-MO.html).) Of the approximate 6,100 people living in Ivanhoe 93% are minority, with 86% identified as African-American -- a group particularly impacted by chronic disease, trauma, food access inequities, mental stressors and crime. The health-related characteristics for African-Americans in Jackson County are dire. They have the highest age-adjusted death and incidence rates for all cancers, diabetes, strokes and heart disease. They also have the highest rate for low birth weights, preterm births and infant mortality. The SocioNeeds Index, created by Healthy Communities Institute, is a measure of socioeconomic need that is correlated with poor health outcomes. Zip codes in the United States are assigned an Index Value from 0 (low need) to 100 (high need) which include poverty, crime, income, employment, educational attainment and linguistic barrier factors. The 2017 SocioNeeds Index and rank for the Ivanhoe neighborhood zip codes are 69.2, 94.5, and 94.7, with over 75% of the neighborhood at the 94.5 ranking. Ivanhoe's residents have been generationally cycled through a system that disproportionately affects their health, wealth, and security, as families struggle to buy fresh food, to pay medical bills, transportation and utility costs, and child care expenses. It is widely understood that high poverty levels, and a lack of access to healthy quality of life options, are directly associated with a community's economic, sustainable, and ecological development. As a result, chronic illnesses such as cancer, diabetes, high blood pressure, heart disease, trauma, and mental stress, show up as malignant factors, often manifested in the form of crime, property neglect and a lack of hope, security and connectedness. Of course, these factors contribute to an unhealthy and unsafe community.

**What are the qualifications for participants:** This project is specifically focused on neighborhood residents; however, residents in other neighborhoods who are interested in attending our safety training workshops, volunteering at community-wide clean-ups and helping us advocate for continued investment are all welcome. We have a wide range of partners and promote collaboration and partnerships to advance our neighborhood efforts.
