Regional Household Hazardous Waste Collection Program**

This Agreement is entered into pursuant to Missouri Revised Statutes Section 70.210 *et seq.*

Whereas, Cass, Clay, Jackson, Platte, and Ray Counties and the City of Kansas City have formed the MARC Solid Waste Management District (SWMD) pursuant to Sections 260.300 through 260.345 of the Revised Statutes of Missouri (1986 & Cum. Supp. 1990) and the members of the SWMD include most cities within the member counties; and

Whereas the City of Kansas City, Missouri (Kansas City) operates a permanent Household Hazardous Waste facility located at 4707 Deramus, Kansas City, Missouri, and operates outreach sites for collection of Household Hazardous Waste (HHW) at various locations and on various dates; and

Whereas, the City of Lee's Summit, Missouri operates a permanent Household Hazardous Waste Facility located at 2101 S.E. Hamblen Road, Lee's Summit; and

Whereas, Kansas City and Lee's Summit have made these HHW collection facilities available for use by members of the SWMD and the SWMD, Kansas City and Lee's Summit have agreed to create a regional household hazardous waste program for the benefit of all members of the SWMD; and

Whereas, Missouri (sometimes referred to in this Agreement as the "Participating Member") intends to participate in the Regional HHW Collection Program;

Therefore, the SWMD and the Participating Member agree that participation in the Regional HHW Collection Program shall be on the following terms and conditions:

I Definitions

Household Hazardous Waste (HHW) shall mean waste that would be classified as hazardous waste by 40 CFR 261.20 through 261.35 but that is exempt under 40 CFR 261.4 (b) (1) (made applicable in Missouri by 10 CSR 25-4.261) because it is generated by households. Examples include paint products, household cleaners, automotive fluids, pesticides, household batteries, and similar materials. A determination of whether any material meets this definition shall be made by Kansas City.

II Effective Date

Unincorporated Jackson County, Missouri agrees to participate in the Regional HHW Collection Program for a one-year period beginning on January 1, 2009.

III Termination

A. Budget Limitations. This Agreement and all obligations of the Participating Member and the SWMD arising therefrom shall be subject to any limitation imposed by budget law. The parties represent that they have within their respective budgets sufficient funds to discharge the obligations and duties assumed and sufficient funds for the purpose of maintaining this Agreement. This Agreement shall be deemed to terminate by operation of law on the date of expiration of funding.

B. Termination of regional program. If the regional household hazardous waste program is terminated prior to the expiration of this Agreement, the SWMD shall refund the full amount paid by the participating member, as of the date of termination, less the cost of services provided prior to termination of the regional program. The cost of services shall be assessed at seventy-five dollars (\$75.00) for each vehicle belonging to a resident of the participating member that has been served prior to the termination of the program, not to exceed the amount paid by the participating member.

The SWMD will provide to the Participating Member quarterly reports on the operations of the Kansas City and Lee's Summit permanent facilities and on the operations of the outreach collections, based on information provided to the SWMD by Kansas City and Lee's Summit. The quarterly reports shall include the following information:

1. the total number vehicles using each facility (permanent or outreach) on a quarterly basis;
2. the number of vehicles from each participating member using the facility;
3. the days and hours of operation of each facility;
4. a summary of the quantity and types of waste received at each facility; and
5. a summary of the disposition of the waste received, including names and locations of off-site disposal/treatment facilities used and wastes reused or recycled.

VII *Hold Harmless and Indemnification/Outreach collection sites*

A. *General indemnification.* Each party to this Agreement shall, to the extent allowed by law, indemnify, defend, and hold harmless the other party, the other party's employees, and Kansas City and its employees, from all claims, lawsuits, liabilities, and costs, including reasonable attorney's fees and court costs, arising from its own negligence or intentional acts, or the negligence or intentional acts of its employees or contractors, in connection with the operation of any outreach collection with the boundaries of the Participating Member.

B. *Environmental indemnification.* The Participating Member shall, to the extent allowed by law, further defend, indemnify, and hold harmless the SWMD and Kansas City and its employees from and against all claims, lawsuits, liabilities, and costs, including reasonable attorneys fees and court costs, arising solely out of or related solely to the release, discharge, spill, transportation, treatment, storage or disposal of any regulated substance or HHW, as defined herein, that: 1) came to be located on a household hazardous waste outreach collection site located within the boundaries of the Participating Member prior to the date a HHW collection event is held at that site; or 2) came to be located on a HHW outreach collection site within the boundaries of the Participating Member after the close of operations of that collection event. This environmental indemnity shall not be limited by the limits of any insurance policy held by or for the benefit of the Participating Member or its contractor and shall survive the termination of this agreement and/or any transfer of all or any portion of the property on which the HHW outreach collection is held.

C. *Insurance.* The SWMD agrees that, pursuant to the terms of its Agreement with Kansas City, Kansas City shall maintain liability insurance related to the outreach collection sites under which the Participating Member shall be named as an additional insured.

VIII *Legal Jurisdiction*

Nothing in this Agreement shall be construed as either limiting or extending the legal jurisdiction of the parties.
